DRAFT COPY PENDING CITY COUNCIL REVIEW AND APPROVAL

City of Boonville City Council Meeting Minutes May 3, 2021

The Boonville City Council met in Regular Session on May 3, 2021 at 7:00 p.m. in the Council Chambers located at 525 East Spring Street, Boonville Missouri. The following officers were present: Ned Beach, Mayor; Kate Fjell, City Administrator; Teresa Studley, City Clerk; and Randy Ayers, Sergeant at Arms. Doug Abele, Interim City Counselor, was absent.

NOTICE POSTED: Thursday, April 29, 2021 at 2:35 p.m.

CALL TO ORDER – PLEDGE AND PRAYER

The meeting was called to order and Susan Meadows led the prayer, after the pledge of allegiance.

ROLL CALL

The following Council Representatives were present, sitting distantly from each other: Susan Meadows, Theresa Hurt, Barry Elbert, Whitney Venable, Albert Turner, Michael Stock, and Steve Young. Council Representative Curtis Robertson was absent.

HEARING OF CITIZENS' COMMENTS

Ms. Marilyn Meine, Ward 3, came before the Council regarding two issues. The first issue is regarding the traffic heading East on Weyland. Ms. Meine stated that vehicles are traveling fast going up and down the hill. There are cars parked on both sides of the street which make it quite dangerous for children playing or riding bikes. With children darting between parked cars, it is impossible for people to stop. Ms. Meine inquired if there could be signs placed that state "Children at Play", "Slow", or a posted speed limit sign. The second issue is regarding the solar panels that are at the corner of Sonya and Main Street. Ms. Meine expressed her disappointment that the City Council allowed the solar panels to be built on the ground. Ms. Meine stated that no one in Rolling Heights received a notice concerning the allowance of the solar panels. Ms. Meine stated that the City of Boonville is known for tourism and Main Street is a thoroughfare for visitors into the town. Ms. Meine stated that she hopes the City Council will pass an ordinance that solar panels should only be placed on rooftops and also that the Council will not allow wind turbines within the city limits of Boonville. Ms. Meine stated that she is requesting this because she does not want other citizens' properties values hurt. Ms. Meine feels that the Council failed to do their due diligence. Ms. Meine read the declaration of protection of restrictions and covenant of the Rolling Heights subdivision.

Ms. Laura Gramlich and Mr. Luke Haller, both representing the Chamber of Commerce, came before the Council regarding two issues. The first being the 1860's Baseball Game Event was held at Harley Park over the weekend. It was a very successful event. There were approximately 300 people at the park. Ms. Gramlich thanked the Parks Department for helping

with the event. She hopes that they can bring the event back for next year. The second issue being the Heritage Days event that is coming up in June. Ms. Gramlich stated that they have been meeting with the Heritage Days Committee, and Mr. Michael Stock, Council Representative. It was a very successful meeting. They have been reviewing the map that was emailed to Council and there have been a few changes made to the layout of events. Ms. Gramlich stated that they need to move forward with seeking approval from Council so they can begin getting signatures for the street closures. She hopes to get everything prepared for the next council meeting on May 17. Ms. Gramlich stated that she feels that the meetings have been very successful and feels very good about what is being proposed.

APPROVAL OF THE MINUTES OF THE APRIL 19, 2021 COUNCIL MEETING

The minutes were approved as presented.

CONSENT ITEMS

None.

PRESENTATION OF ACCOUNTS AND CLAIMS

Ms. Studley read the ordinance appropriating money, in its entirety, and a second time, by title only, since a copy of the ordinance had been made available prior to the meeting. Ms. Meadows moved, and Mr. Venable seconded the motion for approval of the ordinance. Roll call was taken. Ayes: Meadows, Hurt, Elbert, Venable, Turner, Stock, and Young. Total (7). Opposed: None. Total (0). Absent: Robertson. Total (1). Motion Carried.

UNFINISHED BUSINESS

None.

NEW BUSINESS

RECEIVE REQUEST FROM CITY ATTORNEY FOR SUPPLEMENTAL FUNDING

Mayor Beach stated that this is the same format that was established on the City Attorney's previous requests. Mr. Venable moved, and Mr. Stock seconded the motion to approve the supplemental funding for 4th quarter of Fiscal Year 2020-2021 for \$5,524.20 submitted by the City Attorney, Brad Wooldridge. Mr. Turner inquired that this will be the last payment for supplemental funding that will need to be approved by Council. Ms. Fjell confirmed that it was the last one. Roll call was taken. Ayes: Meadows, Hurt, Elbert, Venable, Turner, Stock, and Young. Total (7). Opposed: None. Total (0). Absent: Robertson. Total (1). Motion Carried.

DISCUSSION OF CITY COMMITTEE STRUCTURE

Ms. Fjell stated that this review of city boards was due to it becoming a challenge to fill the boards and due to Mr. Linhart's inquiry on the need or purpose for the cemetery board. Ms. Fjell directed the Council to her memo that was included in the Council packet. Her recommendations were listed in the council packet on pages 12 and 13.

Mr. Turner inquired how the number of people for each board was determined. It was based upon the ordinance that was written at the time. Mr. Turner inquired what eliminating a board will do or what "on call of the chair" will do. Ms. Fjell stated that if it is decided to eliminate a board, an ordinance would need to be amended to eliminate the board; or change the meeting time to "on call of the chair" which if they felt they had something important to discuss, the Chairman would call a meeting. Also, with "on call of the chair", it would require a fully stocked committee. Ms. Fjell stated that you could create an ad-hoc committee. Therefore, if there was a special project, the ad-hoc committee could be created for a specific purpose and usually that would be temporary in nature. You would not need an ordinance establishing the said ad-hoc committee. Mr. Turner questioned the lack of participation on the boards. Is it due to lack of agenda items or lack of a quorum. Mayor Beach believes it to be due to lack of agenda items.

Mayor Beach asked Council if anyone else had any other comments. There were none. Mayor Beach went committee by committee on what he feels is necessary.

- Airport Advisory Committee – Eliminate the committee but require quarterly reports.
- Board of Public Works – This at one time was state regulated in some ways, is a large expense area, and large employee area. Mayor Beach wants to review what the requirements are by state statute. Ms. Fjell stated that this board was created in the 1950's and a city administrator was not created until the 1970's. Times have changed where there has been more staff added, as opposed to the actual Board directing the actual work completed by the department. The department is more staff driven. Ms. Fjell stated that she would like to consult with Mr. Abele in regard to this board because of the state statutes. Mayor Beach agreed. Mayor Beach stated that if the board does not need to approve the bills every month, he would like to see a quarterly report from them.
- Cemetery Board – Ms. Fjell inquired if he wanted to eliminate the board. Mayor Beach stated that he is not discussing the ones that he agrees with. Therefore, he would follow along with Ms. Fjell's recommendation.
- Fire Board – He feels that the fire board is a big safety issue. He feels that the on call of the chair is adequate, but he feels that there is a personnel issue there that they want to deal with.
- IDA – Mayor Beach stated that we will not change anything with the IDA. It will remain "on call of the chair".
- Parks and Recreation – Mayor Beach stated that it is a large area of expense and a large area of employment, and he feels that it should not be eliminated. Mayor Beach stated that the difference between quarterly and "on call of the chair" is not very big. He would prefer to not eliminate the board.

Ms. Fjell stated that the Council's decision for the outcome of the boards does not need to be decided tonight. It can be brought back at a later time for further discussion by Council. Mayor Beach stated that there are also a few things that need to be looked up first as well.

REPORTS OF STANDING COMMITTEES

CEMETERY BOARD – APRIL 22, 2021

The meeting was cancelled.

HOUSING AUTHORITY – APRIL 14, 2021

Mr. Elbert reported that the board met, and it was a good meeting, and everything is going well.

STREET, ALLEY, AND SANITATION BOARD – APRIL 28, 2021

Mr. Young reported that the meeting was cancelled due to lack of agenda items.

BOARD OF PUBLIC WORKS – APRIL 29, 2021

The meeting was cancelled.

REPORTS OF CITY OFFICIALS

CITY ADMINISTRATOR

Ms. Fjell reminded the Council that we are doing a brief "Road Show" of the various departments in the City. Department Heads are going to come forward for the next several months to discuss a little bit about their purpose, activities, and staffing. Ms. Fjell included a Department Head schedule in the council packet.

Ms. Fjell invited Chief Tim Carmichael before the Council. Chief Carmichael directed the Council to his memo that was included in the council packet. Chief Carmichael discussed each item point by point. Chief Carmichael discussed the staffing at the Fire Department. Chief Carmichael discussed what types of calls the Fire Department responds to and the different training events that are completed throughout the year. Chief Carmichael informed the Council of the number of calls made per year. Chief Carmichael expressed how difficult it has become on the medical assist calls since we no longer have a hospital in the community. Chief Carmichael informed the Council of the updates to the facility and equipment in the past 10 years. Ms. Hurt expressed her deep concern regarding the lack of a timely response from the Cooper County Ambulance. Chief Carmichael briefed the Council on how he believes the ambulance service is managed. Mr. Turner inquired why the Boonville Police, Boonville Fire, and the ambulance service respond to a call. Chief Carmichael stated that the chances of a police officer getting to an emergency first is much greater because they are already in their police cars. This has been proven by the woman's life that was saved in November by the Boonville Police

Officers that were awarded medals at the last meeting. Chief Welliver agreed with Chief Carmichael that the police officers can get to the scene and help the victim until the fire department and ambulance service arrive at the scene.

Ms. Fjell stated that Waste Management, our contracted waste management service, will be coming to the next council meeting, along with Mr. Glenn Bishop, our Health Inspector.

MAYOR

- ***Committee Appointments***

Mayor Beach directed the Council to the committee appointments that were included in the council packet. Mayor Beach advised of the appointments that need to be approved by council: Board of Public Works: Curtis Robertson (expires May 2025); Fire Board: Nicole Battreall, Christy Linhart, and Bill Hilden (expires May 2023). Mr. Venable moved, and Mr. Elbert seconded the motion to approve the appointments. Roll call was taken. Ayes: Meadows, Hurt, Elbert, Venable, Turner, Stock, and Young. Total (7). Opposed: None. Total (0). Absent: Robertson. Total (1). Motion Carried.

CITY CLERK

No report was offered.

MISCELLANEOUS

Mayor Beach requested that Chief Welliver would put the Weyland Street issue on the Police Board agenda. Chief Welliver stated that he will try to mount a sign there or put the speed trailer out to help slow the traffic down. The Police Board will not meet until June. Mayor Beach stated maybe we need to consider parking only on one side of the road.

Mayor Beach requested of Ms. Fjell if Mr. Steve Hage, the Building Inspector, would review the codes for the solar panels. Ms. Fjell stated that the codes were written when Ms. Megan McGuire was still our City Counselor. There are codes for roof mounted panels and panels in the ground. It is also specified as to what zones the solar panels can be placed in. Ms. Fjell stated that the panels were placed in a commercial C-1 zone. Ms. Fjell stated that the solar panels went to the Planning and Zoning Commission and then was also approved by the City Council.

Ms. Fjell informed the Council that Curtis Robertson has resigned from the City Council, due to his work schedule. Mayor Beach stated that he is open for suggestions on who may be able to fill the vacant Ward 3 Council Seat.

ADJOURN

With no further discussion, Mr. Young moved, and Mr. Stock seconded the motion to adjourn at 7:41 p.m. and the voice vote was unanimous.

Respectfully Submitted,

Teresa Studley, City Clerk

Approved:

Ned Beach, Mayor

ORDINANCE APPROPRIATING MONEY

Be it Ordained by the Council of the City of Boonville as follows:

Section 1: For the purpose of paying salaries and various accounts against the City of Boonville, which have been allowed by the Council, at the regular meeting thereof on **May 17, 2021** the sum of **\$356,240.42**

Mayor

Endorsed **May 17, 2021** : I hereby certify that a sufficient sum of money stands to the credit of the City, unappropriated, in the various funds to meet the requirements of this ordinance.

Accountant

Date: May 13, 2021
To: Mayor and City Council
From: Kate Fjell, City Administrator
RE: City Boards and Commissions – Part 2

Tonight, I would like Council to discuss the City Boards that are created by City Ordinance only. I have attached the relevant Ordinance of this memo. These boards are advisory. I have also spoken to department heads about these relevant committees. They will be on hand to discuss their thoughts during the discussion. I am hoping that we can find consensus amongst the Councilmembers on these committees, so staff can set about amending the ordinances, if necessary.

Just a note on citizen committees. If, as Councilmembers you decide to keep the committees, then our method for finding members must change. Currently, it is expected that department heads find and fill committee positions. In the past, the gathering of names of potential members was a team effort- Mayor, City Council, Department Heads, neighbors, fellow board members, etc. Once identified, the Mayor called to ask people to serve on the committee. For a perspective board member, it conveys respect and a position of honor when asked by the Mayor to fill the position. If we want Committees to succeed, then we need to return to a "team effort" approach. After all, more people brainstorming members will result in a more diverse committee resulting in more ideas being brought to the table for the departments and City Council.

Sec. 2-226. - Certain committees established.

The following advisory committees are hereby established in addition to others which may exist under city ordinance:

- (1) Fire department advisory committee.
- (2) Parks and recreation advisory committee.
- (3) Airport advisory committee.
- (4) Sanitation, streets, alleys, and sidewalks advisory committee.
- (5) Animal control advisory committee.
- (6) Police affairs advisory committee.

(Ord. No. 2999, § 1, 4-1-91; Ord. No. 3326, § 1, 7-15-96; Ord. No. 4426, § 2, 12-5-16)

Cross reference— Fire department, § 7-2; parks and recreation, ch. 15; streets and sidewalks, ch. 20; waters, sewers and solid waste disposal.

Sec. 2-227. - Composition.

Each advisory committee shall consist of five voting members who shall be citizens of the county. One member of the city council shall be appointed to each committee and shall be a nonvoting observer of the committee. A member of the city council shall not serve as a voting member of any advisory committee.

(Ord. No. 2999, § 1, 4-1-91; Ord. No. 4491, § 1, 2-4-19)

Sec. 2-228. - Appointments.

All citizens and council members of advisory committees shall be appointed by the mayor with consent of the city council. The mayor shall present a complete list of appointments to such committees to the city council at the first city council meeting in May of each year. The council shall approve or reject any or all appointments within 14 days of receipt of said appointments. Any rejected appointments shall be referred to the mayor who shall resubmit appointments until ratified by the city council. Midterm vacancies to committees shall be filled by the mayor within 30 days following the acceptance of resignation, disqualification, or removal of a committee member subject to the consent of the city council. Newly elected councilmembers shall assume the committee appointments of their predecessor until appointed or reappointed to various committees according to this section.

(Ord. No. 2999, § 1, 4-1-91)

Sec. 2-229. - Terms of memberships.

Citizen members appointed to advisory committees shall serve for terms of two years, Any member shall be eligible to succeed himself/herself with a maximum number of four consecutive terms. Citizen and councilmanic members shall serve until replaced.

(Ord. No. 2999, § 1, 4-1-91)

Sec. 2-230. - Removal of members.

- (a) Any citizen or councilmanic member of an advisory committee may be removed at the request of the mayor with the concurrence of the city council for failure to attend three or more scheduled meetings without a reasonable excuse.
- (b) Any citizen member of an advisory committee shall be disqualified as a member of such committee if he or she becomes a nonresident of the county.

(Ord. No. 2999, § 1, 4-1-91; Ord. No. 4491, § 2, 2-4-19)

Sec. 2-231. - Chairman.

The chairman of all advisory committees shall be selected by a majority vote of the members of each respective committee.

(Ord. No. 2999, § 1, 4-1-91)

Sec. 2-232. - Functions.

All advisory committees shall act as a recommending body to assist the mayor and city council on all matters pertaining to them and in all cases report in writing the state of fact with their opinions and conclusions thereupon; all such reports shall be addressed to the mayor and city council.

(Ord. No. 2999, § 1, 4-1-91)

RE: 2021 Heritage Days proposed street closure along 6th Street

To whom it may concern:

I was recently contacted by Karen Esser of the Boonville Area Chamber of Commerce regarding its proposed street closure of 6th Street during the 2021 Heritage Days celebration. I followed up with Ms. Esser and met with her personally on April 1, 2021. We discussed my concerns and had a very productive and meaningful conversation.

I have no objection to the proposed closure of 6th Street beginning south of Chestnut Street running south to (at least) Vine Street. I am willing to sign any proposed street closure forms reflecting the same and would gladly work with the Chamber to ensure a safe and successful Heritage Days for all parties involved.

My only concern, if any, would be where the carnival staff park their motor homes and equipment trucks. That, along with ingress and egress, has been a bigger issue in years past than the carnival location itself.

I want to personally thank Karen Esser for her initiative to reach out to me and her willingness to consider, address, and resolve my concerns highlighted in the past.

If the City has any questions, or would like to discuss this matter in further detail, please let me know. Thank you.

BLW/idi

Very truly yours,

Brad L. Wooldridge

Heritage Days — Proposed Street Closures
Friday, June 25 at 6 pm thru Saturday, June 26
at 8 pm

We are sorry we missed you, we have stopped by to get your approval for the street closures for Heritage Days to accommodate the Starlite Cruisers Car Show or one of Crafters or Food Vendor who come out to celebrate with us.

If you have any questions please contact the Chamber of Commerce President at 660.537.3338 or Luke Haller 660.537.3818 or the Chamber office at 660.882.2721

AN ORDINANCE OF THE CITY OF BOONVILLE, MISSOURI, APPROVING LOCAL AGENCY FUNDING CONTRACTS FOR SERVICES; PROVIDING AN EFFECTIVE DATE THEREFORE AND REPEALING ALL ORDINANCES IN CONFLICT WITH THIS ORDINANCE

WHEREAS, the City of Boonville recognizes the valuable contribution made to the City by local agencies which provide services and programs to the citizens of Boonville; and

WHEREAS, the City of Boonville wishes to allocate a portion of its resources for these purposes; and

WHEREAS, the City of Boonville recommends funding of certain projects through a detailed application and approval process with recommendation from the Local Agency Funding Committee.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BOONVILLE, MISSOURI, AS FOLLOWS:

SECTION 1: The City of Boonville agrees to allocate funds as approved in the following manner:

Boonslick Industries.....	\$5,000.00
Boonslick Senior Center.....	\$9,900.00
Boonslick Shrine Club.....	\$600.00
Boonville Area Chamber of Commerce (Independence Day Fireworks).....	\$3,000.00
Central Missouri Food Bank - Buddy Packs.....	\$9,000.00
Friends of Historic Boonville (Lively)	\$1,000.00
Friends of Historic Boonville (Summer Internship Program).....	\$1,500.00
Friends of Historic Boonville (Missouri River Festival of the Arts).....	\$3,000.00
Friends of Historic Boonville (Big Muddy Folk Festival)	\$3,000.00
Harvest House	\$10,000.00
Hundred Acre Woods Riding Center	\$5,000.00
Kiwanis Club of Boonville, MO Inc.....	\$6,000.00
Neighbors Helping Neighbors.....	\$8,000.00
OATS, Inc.....	\$3,000.00
Riley Equine Center – Freedom Riders	<u>\$1,000.00</u>
Total	\$69,000.00

SECTION 2: The organizations listed above agree to complete the activities as stated in the Contracts for Services and the itemized listing of proposed activities, both attached hereto and made a part hereof as **Exhibits A** and **B** and the City Administrator and the City Clerk are hereby authorized and directed to execute and attest said contracts on behalf of the city.

SECTION 3: The City Council believes that the activities to be provided under the terms and conditions of this ordinance help advance social and community development within the community.

SECTION 4: This ordinance shall take effect and be in full force from and after its passage and approval.

SECTION 5: All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.

FIRST READING: MAY 17, 2021

READ FOR THE SECOND TIME AND PASSED ON THIS 7TH DAY OF JUNE 2021, AFTER A COPY OF THIS ORDINANCE AND REFERENCED LOCAL AGENCY CONTRACTS FOR SERVICES HAVE BEEN MADE AVAILABLE FOR PUBLIC INSPECTION PRIOR TO ITS FIRST READING.

President of the Council

APPROVED THIS 7TH DAY OF JUNE 2021

Ned Beach, Mayor

ATTEST:

Teresa Studley, City Clerk

**CITY OF BOONVILLE, MISSOURI
LOCAL AGENCY CONTRACT FOR SERVICES**

This contract is made this _____ day of _____ 2021, by and between the City of Boonville, Missouri, hereinafter referred to as the City, and ORGANIZATION Name, a not-for-profit organization, hereinafter referred to as the AGENCY.

WITNESSETH:

1. Services to be Provided

The AGENCY agrees to provide the services and programs to the citizens of Boonville, Missouri as are so stated in its 2021-2022 application for Local Agency Funding. **All services and programs are to be completed by FEBRUARY 22, 2022** unless other arrangements are agreed to with the City Administrator.

2. Consideration

The total payment for the services performed under this contract shall be **\$000** and shall be paid by the CITY to the AGENCY when presented with original receipts for reimbursement, unless the circumstances of the organization will not allow receipts to be produced and other arrangements have been made. Such payment is subject to Boonville City Council approval. Along with the receipts, a copy or picture is needed for all projects in which they MUST give a public recognition of the funding source, and state **"PARTIALLY SUPPORTED BY THE CITY OF BOONVILLE CIP TAX"**, in all advertisements, program booklets, signage at the site, and most other forms of marketing. Failure to give public recognition will jeopardize future funding requests.

3. Evaluation

The AGENCY shall complete a **Project Assessment Form**, a blank copy of which shall be supplied by the City of Boonville, upon completion of their program or **no later than FEBRUARY 22, 2022**.

4. Independent Contractor

It is understood that this agreement shall not be construed as an employment agreement and that the AGENCY shall be an independent contractor as to the provision of services.

5. Public Purpose

The undersigned believes that the services and programs to be performed under this contract provide relief and care for the indigent or helps promote commercial and industrial development in the City of Boonville with a clear secular legislative purpose and a primary effect other than the advancement of religion.

6. Binding Upon Successors

This Contract shall be binding upon the undersigned, their heirs, successors, and personal representatives, and forever.

IN WITNESS WHEREOF, We, the Parties have executed this instrument in Duplicate Originals on the day and year first above written.

BILL NO. 2021-018

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF BOONVILLE, MISSOURI APPROVING THE FINAL SITE PLAN FOR THE UNIVERSITY OF MISSOURI, BOONVILLE HEALTH CLINIC AT 516 JACKSON ROAD, BOONVILLE, COOPER COUNTY, MISSOURI; PROVIDING AND EFFECTIVE DATE THEREFORE, AND REPEALING ALL ORDINANCES IN CONFLICT WITH THIS ORDINANCE.

WHEREAS, the University of Missouri is proposing to improve their property at 516 Jackson Road and open the Boonville Medical Clinic; and

WHEREAS, City staff and engineers met and communicated with the University of Missouri and Crockett Engineering to work out the details of construction and site planning and to ensure that the plans are in compliance with the City's zoning ordinances and planning standards; and

WHEREAS, final plans were presented to the Planning and Zoning Commission, which voted on May 11, 2021 to approve the final site plans, contingent upon a final review completed by City Engineer. The plans included, **Exhibit A**, which are attached hereto. The commission has recommended their approval by the Council. Said site plans are incorporated herein as if set forth fully in this ordinance; and

WHEREAS, the City Council has evaluated the site plans for compatibility with the use of abutting sites, the safety, and convenience of vehicle and pedestrian traffic and in view of the potential economic benefit to the City of Boonville and finds them to be appropriate and beneficial to further economic development of the City.

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BOONVILLE, MISSOURI AS FOLLOWS:

SECTION 1: That the final site plan as shown and indicated in **Exhibit A**, attached hereto and made a part hereof, for the construction of Boonville Medical Clinic located at 516 Jackson Road in the City of Boonville, Cooper County, Missouri should be and is hereby approved.

SECTION 2: This ordinance shall take effect and be in full force from and after its passage; and the approval granted herein shall be valid for a period not to exceed 12 months thereafter.

READ FOR THE FIRST TIME: 17TH DAY OF MAY, 2021

READ FOR THE SECOND TIME AND PASSED THIS 7TH DAY OF JUNE, 2021, AFTER A COPY OF THIS ORDINANCE AND REFERENCED PLANS HAVE BEEN MADE AVAILABLE FOR PUBLIC INSPECTION PRIOR TO ITS FIRST READING.

PRESIDENT OF THE COUNCIL

CONTRACTOR WILL BE RESPONSIBLE FOR PLACEMENT AND MAINTENANCE OF TRAFFIC CONTROL DEVICES NECESSARY TO COMPLETE THEIR PORTION OF WORK. THE DEVICES AND METHODS EMPLOYED WILL COMPLY WITH THE CURRENT VERSION OF THE MANUAL ON UNIFORM TRAFFIC CONTROL DEVICES.

THIS LOT CONTAINS APPROXIMATELY 2.11 ACRES.

THIS TRACT IS ZONED C-1.

EXISTING UTILITIES SHOWN FOR REFERENCE ONLY. CONTRACTOR SHALL COORDINATE LOCATES (HORIZONTAL AND VERTICAL) PRIOR TO ANY EXCAVATION.

ALL EXCAVATION TO BE IN ACCORDANCE WITH SECTIONS 319.010-319.050, REVISED STATUTES OF THE STATE OF MISSOURI. SUCH COMPLIANCE SHALL NOT, HOWEVER, EXCUSE ANY PERSON MAKING ANY EXCAVATION FROM DOING SO IN A CAREFUL AND PRUDENT MANNER, NOR SHALL IT EXCUSE SUCH PERSON FROM LIABILITY FOR ANY DAMAGE OR INJURY TO UNDERGROUND UTILITIES RESULTING FROM THE EXCAVATION.

A GEOTECHNICAL EVALUATION HAS BEEN PERFORMED BY CROCKETT GEOTECHNICAL TESTING LAB (GTL). REFER TO REPORT NUMBER _____ DATED _____ BY CROCKETT GTL.

REFER TO STORMWATER POLLUTION PREVENTION PLAN (SWPPP) FOR NARRATIVE REPORT AND BMP DESCRIPTIONS AND DETAILS.

ALL SLOPES ARE 3:1 OR FLATTER UNLESS OTHERWISE NOTED.

IT IS THE INTENT OF THESE PLANS TO COMPLY WITH THE REQUIREMENTS OF THE MDNR CLEAN WATER COMMISSION.

ALL DISTURBED AREAS WITHIN THE "LIMITS OF DISTURBANCE" SHALL BE FINE GRADED, SEEDED, AND MULCHED.

THE CONTRACTOR IS RESPONSIBLE FOR MAINTAINING ALL EROSION CONTROL DEVICES AND REMOVING THEM ONCE THE SITE IS STABILIZED.

ALL SANITARY SEWER PIPE TO BE 8" PVC SDR 35 UNLESS OTHERWISE NOTED.

ALL SEWERLINES SHALL BE CONSTRUCTED AT LEAST 10 FEET HORIZONTALLY, EDGE TO EDGE, FROM ANY WATERLINE AND AT LEAST 24 INCHES VERTICALLY BETWEEN THE OUTSIDE LIMITS OF THE SANITARY SEWER AND WATERLINE. FOR CONDITIONS OTHER THAN THOSE IDENTIFIED ABOVE, CONTACT THE ENGINEER FOR SPECIFIC INSTRUCTIONS.

ALL HOPE PIPE SHALL BE INSTALLED PER MANUFACTURER'S RECOMMENDATIONS. REFER TO DETAIL FOR PIPE BEDDING REQUIREMENTS.

IN ORDER TO TERMINATE A STATE OPERATING PERMIT THE MISSOURI DEPARTMENT OF NATURAL RESOURCES (MDNR) REQUIRES THAT THE PERMITTEE SUBMIT A COMPLETED FORM N (INCLUDED WITH THE APPROVAL PERMIT) TO THE MDNR. A PERMIT IS ELIGIBLE FOR TERMINATION WHEN EITHER PERSONAL VEGETATION, PAVEMENT, BUILDINGS, OR STRUCTURES USING PERMANENT MATERIALS COVER ALL AREAS THAT HAVE BEEN DISTURBED. VEGETATIVE COVER SHALL BE AT LEAST 70% OF FULLY ESTABLISHED PLANT DENSITY OVER 100% OF THE DISTURBED AREA.

LAND DISTURBANCE SITES SHOULD BE INSPECTED ON A REGULAR SCHEDULE AND WITHIN A REASONABLE TIME PERIOD (NOT TO EXCEED 48 HOURS) FOLLOWING HEAVY RAINS. REGULARLY SCHEDULED INSPECTIONS SHALL BE AT A MINIMUM OF ONCE PER WEEK. ANY DEFICIENCIES SHALL BE CORRECTED WITHIN SEVEN CALENDAR DAYS.

TOTAL DISTURBED AREA ON SITE = 2.3 AC

**CITY OF BOONVILLE
PLANNING AND ZONING COMMISSION MEETING
MINUTES OF MAY 11, 2021**

VOTING MEMBERS PRESENT

- 1) Josh Snoddy
- 2) Steve Hage, Building Inspector
- 3) Whitney Venable
- 4) Andrew Cowherd
- 5) Ned Beach, Mayor
- 6) Clark Greis

VOTING MEMBERS ABSENT: Zach Simpson, Matt Billings

STAFF/PRESENTERS/GUESTS

Scott Vogler
Kate Fjell
Jeff Ditto
Tim Crockett, Crockett Engineering

NOTICES AND EXHIBITS: Posted and available on Thursday, May 7, 2021 at 3:01 p.m. at City Hall.

1. **CALL TO ORDER:** Mr. Venable called the meeting to order at 6:00 p.m. Roll call was taken with seven (6) of eight (8) members present constituting a quorum.
2. **AMEND THE AGENDA:** Mr. Hage moved and Mr. Cowherd seconded a motion to amend the Planning and Zoning Agenda, to remove Item A, Consider Boone Point Final Plat 1. Mr. Hage noted that some issues have arisen that may necessitate a change and the developers have asked the Commission to delay their consideration until those issues are resolved.
Ayes: Beach, Hage, Venable, Cowherd, Snoddy, Greis (6); Nays: None (0); Abstain: None (0)
3. **MINUTES:** Mr. Hage moved, and Mr. Cowherd seconded a motion that the minutes be approved. Motion passed unanimously.
4. **HEARING OF PUBLIC COMMENTS:**
None
5. **OLD BUSINESS:**
None
6. **NEW BUSINESS:**

a. MU Boonville Clinic site Plan, 516 Jackson Road

Ms. Fjell asked Mr. Hage to discuss the Boonville clinic project. Mr. Hage stated that University of Missouri is proposing to build a new 14,000 square foot medical clinic on Jackson Road. The building meets the corridor

standards as set out in Boonville ordinances. Mr. Hage asked Mr. Vogler, City Engineer to make any additional comments. Mr. Vogler stated that the emergency stormwater overflow has been relocated so if an incident occurs it will overflow onto the road. Mr. Hage stated that the lighting plan was submitted late, and Mr. Vogler has not reviewed it yet. Mr. Hage stated that the landscaping plan meets the City requirements. Mr. Vogler recommended to the Commission that the plan be approved, conditioned upon his final review and approval of all documents. Mr. Hage introduced Mr. Tim Crockett with Crockett Engineering, representing the University of Missouri and asked the Commission if they had any further questions.

Mr. Cowherd asked when the University intended on starting. Mr. Crockett replied as soon as possible.

Mr. Greis recommended to the City that the City and County may want to look at erosion issues on Jackson Road, particularly near the City's lift station. Mr. Greis stated that although it is unrelated to this project, the paved portion of Jackson Road is causing erosion issues at the lift station and the City needs to plan to address the issue. Mr. Vogler and Mr. Ditto will look at the issue.

Mr. Beach moved, and Mr. Hage seconded a motion to approve the site plan, conditioned upon Mr. Vogler's review and approval of the plans. Ayes: Beach, Snoddy, Hage, Venable, Cowherd, Greis (6); Nays: None (0); Abstain: None (0)

7. MISCELLANEOUS:

Ms. Fjell indicated to the Commission that there is one vacancy and if any members had a recommendation to please share with herself or Mayor Beach.

8. ADJOURN

Mr. Beach moved, and Mr. Greis seconded a motion to adjourn the meeting. The motion passed unanimously. The Meeting adjourned at 6:28 PM

Respectfully submitted,

Kate Fjell, City Administrator

CITY OFFICES • 401 MAIN STREET • BOONVILLE, MISSOURI 65233-1567 • 660-882-2332 • FAX 660-882-6608

Health Department

My name is Glenn Bishop and I am the Health Inspector. My office is located in the Public Works building at 1200 Locust Street. Our building for equipment is located at 1625 East Morgan Street.

One of my main duties is managing and working with my 2 full time employees and the inmate crew of four. They are responsible for cutting grass, weeds, brush, and tree limbs along City right-of-ways, alleys, and properties the City owns. The attached list shows a schedule of how much there is to maintain and where the crew is on a daily basis. This same crew also picks up yard waste per the City program on Monday morning in their assigned area and cleans up derelict property given to them by work orders from the Chapter 13-5 nuisance ordinance.

With the amount of equipment I have, this crew and I also maintain our mowing equipment and I am responsible for getting those parts and the supplies we need.

Another large portion of my job is being responsible for the nuisance ordinances in Chapter 13, more specifically, 13-5 weeds and debris, and 13-26 unlicensed, dismantled, inoperable, and/or junk-filled vehicles. Paula Renfrow, Code Enforcement Coordinator, and I work several days a week monitoring residences for tall grass/weeds, overgrown brush, fallen tree limbs, dead trees, and vehicle nuisance violations. The violation information is sent in a letter by certified mail and regular mail to business owners, homeowners or landlords and renters. The letter describes the violation, what they need to do to correct the violation, their timeframe in doing so, and what happens if they fail to perform the correction, which is either my crew cleaning it and Paula bills them for it (and files liens on the property if not paid timely) or it is turned over to our attorney that handles these cases, Philip Wooldridge. Further, we also take many phone calls weekly answering questions about these letters, working with people on the corrections, and talking to concerned citizens letting us know about violations in their neighborhood.

I also inspect the one tattoo parlor we have in town annually.

April 2021

Administrative

- No report at this time

Treatment

- Normal operations and maintenance were performed this month.
- Marshall Garage Door was at the Drinking Water Treatment Plant to install a new garage door opener.
- The staff drained, cleaned and refilled the Pre-Sed Primary Clarifier.
- The staff installed 2 new VFD displays at the Main St Booster Pump Station.
- The staff has been preparing the Drinking Water Treatment Plant for warm season months, turning off heaters, starting updraft aerator, feeding copper sulfate to prevent algae growth, and feeding carbon for taste/odor control, and organic removal.
- Midway Electric was at the Drinking Water Treatment Plant to repair the Pre-Sed Secondary Clarifier Scraper Arm controller. The contactor, transformer, and relays went bad and stopped functioning. The Scraper arm was re-wired to another set of contactor, transformer, and relay that was no longer used in the Motor Control Center.
- Midway Electric was at the Drinking Water Plant to repair the Pre-Sed Secondary Flash Mixer. We found a burned wire in the conduit. New wires were pulled and wired in.
- The staff adjusted the #6 Filter-to-Waste K-Torx valve to alleviate an air leak.
- The staff repair a leak at the copper sulfate feed line.
- The staff removed the Flash Mixer at the Secondary Basin and transported it to Alliance Pump for evaluation and repair.
- The staff had the oil changed on the City Truck #23.
- The staff drained, cleaned and refilled the Square Section Basin.
- The staff drained, cleaned and refilled the Pre-Sed Flocculator Basin.
- The staff drained, cleaned, and refilled the Pre-Sed Secondary Clarifier Basin.
- Dwight's Plumbing was at the Drinking Water Treatment Plant to clean out the basement drain. A blockage was cleaned out and is flowing much better.
- The staff found the tank mixer and power vent not operating at the Hospital Water Tower. A power surge earlier in the week may have caused this.
- The staff installed a chain bag on the crane in the Chlorine Storage Room.

Project Updates

- The staff participated a meeting with PG Environmental, MoDNR, City of Boonville, and EPA. The purpose was to determine if any improvements could be made to further decrease TTHM and HAA5's. The meeting consisted of a tour, pictures and Q & A. A report will be put together in the future for us and the City of Boonville.

Safety

- The staff conducted its Monthly Safety meeting.
- The staff conducted its monthly check of chlorine leak detector sensors.
- The staff conducted its weekly inspection of emergency eyewash stations and emergency showers.
- The staff conducted its monthly crane inspection in the Chlorine Storage Room.

Regulatory

- Ten water samples were collected throughout the water distribution system. All samples tested were absent of Total Coliform and E-Coli. Report was sent to DNR. (see attached)
- Water samples were collected for monthly Total Organic Carbon (TOC) testing, quarterly Fluoride testing, and were transported to the State Health Lab.

Concerns for the Month.

- None at this time.

MO 780-1904 (12-04)

INSTRUCTIONS: DISINFECTION AND TURBIDITY REPORT FOR SURFACE WATER SYSTEMS < 10,000 POPULATION

1. Please fill out information completely and legibly.

Distribution Disinfection

1. On Line 1., enter the total number of samples from the distribution system that were analyzed for residual disinfectant concentration (total chlorine or combined chlorine) during the month. The residual disinfectant concentration measurements must be taken at the same time and location as your routine monthly coliform samples. This is the value for A.
2. On line 2., enter the number of samples for the distribution systems that had less than 0.2 mg/l residual disinfectant concentration. This is the value for B.
3. Subtract B, from A. (A-B). Divide that number by A. Then multiply by 100. This will give you the value for C. For example: if A = 20 and B = 3, then $C = [(20-3)/20] \times 100 = 85\%$
4. On line 3., enter the arithmetic average for all residual disinfectant samples taken during the month.

Turbidity:

1. On line 1., enter the total number of combined filter turbidity measurements taken during the month. This is the value for A.
2. On line 2., enter the number of combined filter turbidity measurements taken during the month, which are less than or equal to 0.3 NTU. This is the value for B.
3. Divide B, by A. (B/A). Then multiply that number by 100. This will give you the value for C. For example: if A = 120 and B = 117, then $C = (117/120) \times 100 = 97.5\%$

Hours of Operation

For each day, record the number of hours each water treatment plant was in operation.

Finished Water Temperature

For each day, record the temperature of water entering the distribution.

Lowest Residual Disinfectant at Entrance to Distribution System:

For each day, record the lowest measurement of residual disinfectant (mg/L) in water entering the distribution system (free available chlorine or chloramines).

Duration Residual Disinfectant Fell Below Requirement:

For each day, record the duration (hours, tenths) of each period (if any) when the residual disinfectant concentration in water entering the distribution system fell below 0.5 mg/L free chlorine or 1 mg/L chloramines. Note: should this occur, the public water system must notify the department as soon as possible, but no later than by the end of the next business day.

Value of Turbidity Measurements that exceed 1 NTU and 5 NTU:

For each day, record the value of any turbidity measurements taken during the month, which exceed 1 NTU and 5 NTU. Note: should this occur, the public water system must notify the department as soon as possible, but no later than by the end of the next business day.

INDIVIDUAL FILTER MONITORING & REPORTING

1. Was filter continuously monitored for turbidity and results recorded every 15 minutes?
2. Was there a failure of the continuous turbidity monitoring equipment?

YES

NO

If yes on 2., was the equipment repaired within 5 working days, or 14 days with department approval?

N/A

3. Was any individual filter level >1.0 NTU in two (2) consecutive recording fifteen (15) minutes apart?

NO

{If YES, perform "follow-up actions" no. 1}

4. Was any individual filter level, for three (3) months in a row > 1.0 NTU in two (2) consecutive recordings, fifteen (15) minutes apart?

NO

{If YES, perform "follow-up actions" no.2}

5. Was any individual filter turbidity level >2.0 NTU in two (2) consecutive recordings, fifteen (15) minutes apart for two (2) consecutive months?

NO

{If YES, perform "follow-up actions" no. 3}

"FOLLOW-UP ACTIONS to PERFORM"

1. Report filter number(s); turbidity measurements which exceed 1 NTU; and date(s) the exceedance(s) occurred and causes if known.
2. Conduct a "Self-Assessment" of the filter(s) within fourteen (14) days of the triggering event. The system must report the date the self-assessment was triggered and the date it was completed.
3. The system must arrange to have a "Comprehensive Performance Evaluation" (CPE) performed not later than sixty (60) days following the triggering event. The CPE must be completed and submitted to the department within 120 following the trigger event.

The Missouri Department of Natural Resources-Public Drinking Water Branch recommends contacting your local regional office if any individual filter exceeds 1.0 NTU, the lowest trigger in the individual filter standards.

Re: Low Chlorine

Comments: On April 15, 2021 starting at approximately 10:47 and ending at 11:11, our Total Chlorine CL17 ran out of reagent into error. We cleaned it and refilled the bottles. As a result, the Total Chlorine levels returned to normal.

If you have any questions or concerns, please do not hesitate to contact us at 660-882-4021.
