I. Call to order – Pledge and Prayer

A. Andrew Cowherd

The Boonville City Council met in Regular Session on August 03, 2026, at 7:00 p.m. in the Council Chambers located at 525 East Spring Street, Boonville, Missouri. The following officers were present: Randy Ayers, Sergeant at Arms; Mike Conway, Mayor; Kate Fjell, City Administrator. Amber Davis, City Clerk, and Brad Wooldridge, City Attorney. The meeting was called to order. Andrew Cowherd led the prayer after the Pledge of Allegiance.

II. Roll Call

The following council representatives were present: Andrew Cowherd, Sy Harvell, Barry Elbert, Whitney Venable, Tanner Bechtel, and Hallie Thompson. Council Representatives Drew Davis and Evan Melkersman were absent.

III. Hearing of Citizens' Comments

Tao. Lundolos, a senior software engineer came before the council and spoke in support of the Boonville Police Department's use of license plate reader (LPR) technology, particularly for stolen vehicles and Amber Alerts.

His main concern was **how Boonville's LPR data is stored and who can access it**. He explained that:

- **Boonville owns its Leonardo Elsad cameras**, unlike the Cooper County Sheriff's Flock cameras, which operate through a corporate cloud subscription.
- Both systems reportedly have AI capabilities that can identify vehicles associated with particular events or locations, potentially revealing attendance at sensitive activities such as political rallies, churches, or schools.
- He raised **cybersecurity concerns regarding Elsad**, including reported vulnerabilities such as hard-coded passwords and unencrypted communications.
- The existing technology could potentially be upgraded to **capture Wi-Fi and Bluetooth device signals**, although he stated Boonville is not currently using that capability.
- His **primary concern is Boonville's use of the HHIDTA federal database**. He stated that Boonville's LPR data is uploaded daily, retained for two years, and can be

searched by hundreds of outside law-enforcement and federal agencies without a warrant or direct local judicial oversight.

- He contrasted this with Flock's reported 30-day retention period.

Proposed solution

Mr. Lundolos proposed that **Boonville consider storing its LPR data on a city-owned local server instead of uploading it to federal servers**

IV. Approval of Minutes

A. July 20 Council Minutes

Halle Thompson noted that she had two first names listed (referenced as "Hallie Evan" — corrected to reflect the proper name).

Ms. Davis stated the correction had already been made.

Mayor Conway stated that with the noted corrections, the minutes would stand as presented.

V. Consent Items

None

VI. Presentation of Accounts and Claims

A. Appropriations

Ms. Davis read the ordinance appropriating money in its entirety and a second time by title only, since a copy of the ordinance had been made available prior to the meeting. Mr. Venable moved, and Mr. Bechtel seconded a motion to approve the ordinance appropriating money. Roll Call was taken: Ayes: Cowherd, Harvell, Elbert, Venable, Bechtel, and Thompson; Opposed: None. Absent: Davis and Melkersman. Motion Carried.

VII. Unfinished Business

None

VIII. New Business

A. Consider Resolution 2026-015 Amending the Development Agreement with Kemper Apartments, LLC for A and d Barracks Redevelopment

Mr. Venable moved, and Mr. Cowherd seconded a motion to approve this resolution.

Mr Bechtel noted the resolution was listed as R-2026-015, but the previously passed Hail Ridge item was R-2026-015. Therefore, this resolution should be renumbered to **R-2026-016**. Kate Fjell and Andrew Cowherd confirmed the correction. Roll Call was taken: Ayes: Cowherd, Harvell, Elbert, Venable, Bechtel, and Thompson; Opposed: None. Absent: Davis and Melkersman. Motion Carried.

B. First Reading of Bill No. 2026-013 Authorizing and Approving a Vacant Land Contract for Cliff Drive Property

Ms. Davis read, by title only, a copy of the bill

IX. Reports of Standing Committees

None

X. Reports of City Officials

A. Mayor

Mayor Conway participated in the Bookworm Relay event and commended it as a strong community-building event, noting the large number of participants working toward a common purpose.

He also expressed excitement about the opening of the new Boonville library.

Mayor Conway offered congratulations and good luck to the Boonville 12-year-old All-Stars as they advance to the World Series.

B. City Administrator

Ms. Fjell stated that the Cliff Drive Property Seller accepted the city's offer of \$7,500 for the approximately 0.44-acre parcel.

Ms. Fjell stated the city has not yet received the required tax paperwork from the county auditor. The tax levy must be approved by September 1, requiring a public hearing notice published in the newspaper. Fjell expressed concern about the delay but noted the city has been late in prior years (confirmed by Amber Davis two years ago). Fjell clarified that the levy rate is determined by the county auditor (based on property valuation and the Hancock Amendment), not by city staff. Council members with additional questions were directed to contact the auditor directly.

- Ms. Fjell announced three upcoming work sessions designed to get ahead of the budget cycle:
- September 21, 2026 Water Rates – Presentation on water rate structure, contributing factors, and potential rate adjustments 5:00 PM (approx. 2 hours)
- October 5, 2026 Airport – Discussion of whether to pursue expanded planning/feasibility studies for the airport; Lockner consulting firm to present
- October 19, 2026 Gaming Funding – Distribution of gaming fund revenues year-over-year (requested by Andrew Cowherd) 6:00 PM
- Fjell noted she had originally referenced December for work sessions but corrected herself to October, stating she wants to allow time for the council to provide direction before year-end.

Ms. Fjell stated the Boonville pool closes for the season on August 16, 2026.

C. City Clerk

- BAMA Customer Appreciation Event

Amber Davis introduced the event permit application and invited Jason Bishop (BAMA) to present.

Jason Bishop, Boonville Area Merchants Association, came before the council and stated

The BAMA Customer Appreciation Event is proposed as a replacement for the wine walk (not held in 2026), intended to become an annual continuing event.

- **Customer Appreciation Week:** September 7–12, 2026 (individual store events throughout the week).
- **Block Party:** Saturday, September 12, 2026.
- **Requested Street Closure:** Morgan Street from Main Street to Sixth Street.
 - A secondary request for a Chestnut Street closure was also listed as a backup; only one closure is needed.
- **Event Activities:** DJ or live band on Morgan Street, food vendors, picnic tables, similar in character to former Heritage Days events on Morgan Street.
- **Participating Businesses:** Local businesses pooling funds to host the event as a customer thank-you.
- **Alcohol/Open Container Request:** Applicants requested a suspension of the open container ordinance for the designated area (Morgan Street from Main to Sixth) during the event.
 - Brad Wooldridge (City Counselor, and owner of The Pub on Morgan Street) clarified the proposed arrangement: customers would purchase beverages inside the two licensed businesses on Morgan Street (The Pub and Hooch and Leaf) and carry them outside into the closed street area. Under a council-approved open container variance, this would not constitute a violation within the designated perimeter.
 - Wooldridge noted that if businesses wished to sell outside their licensed premises, they would need a caterer's permit. The open container variance approach is the simpler path.
 - Wooldridge confirmed Jason Bishop had reached out to him in advance, and he is 100% in support as a property and business owner on Morgan Street.

Brad Wooldridge disclosed there is a pool tournament at The Pub on the Saturday afternoon of the event, which will not be affected by the street closure or concert.

Jason Bishop confirmed 13 merchants/businesses are participating.

Council Discussion: Sy Harvell asked Brad Wooldridge whether the street closure works for his business. Wooldridge confirmed full support. Tanner Bechtel expressed support for the event concept. Kate Fjell confirmed that the formal street closure ordinance and the open container suspension ordinance will be brought to the **next council meeting** (August 17,

2026) for formal action. Amber Davis will prepare the necessary door-knock notifications for affected properties

D. City Counselor

Mr. Wooldridge stated he had addressed his relevant items during the discussion of the BAMA event. No additional items were reported.

E. Economic Developer

Jim Gann, Economic Developer

(Full report included in council packet; Gann invited questions and offered to be contacted directly.)

Mr. Gann reported It has been a fairly busy month with requests for information and entrepreneurial assistance. Gann is seeing increasing interest from entrepreneurs about doing business in Boonville.

- Received four (4) inquiries from the Missouri Partnership (the organization that markets Missouri to out-of-state businesses).
- Two (2) inquiries were responded to, as the city had qualifying lots available.
- The Missouri Partnership is transitioning to a new response management system, which significantly increased the labor burden of submitting responses. Gann noted this is expected to improve efficiency long-term.

Mr. Bechtel noted that three projects had recently been lost due to site or building readiness constraints and asked whether there are common barriers the city can address

Mr. Gann identified the following recurring constraints:

- **Energy/Power:** A frequently encountered barrier. Gann noted this is an ongoing challenge.
- **Water Capacity:** Some RFIs require water volumes far beyond the city's production capacity (e.g., 50 million gallons per day), which is not solvable at the local level.
- **Natural Gas:** Two current submissions (Fall Back and Simmer) require an \$11 million gas line extension to reach the site, representing approximately 10% of each project's total cost. This may disqualify Boonville from selection for those projects.
- **Developable Acreage:** A significant and recurring barrier. The best currently available site is the 103-acre certified site at Windsor Place (Village of Windsor Place), located south of the interstate, north of the village. After this site, remaining available lots in the Mid-America Industrial Center Park are small and some are not flat, making them less attractive. RFIs frequently request 250+ acres, which Boonville cannot accommodate.

Mr. Gann offered to research the three lost projects individually and send Bechtel a summary identifying which specific barriers caused disqualification.

- Mr. Gann initially stated the Windsor Place site was "north of the interstate" and corrected himself to "south of the interstate / south of the highway." Council confirmed the location.

5. SALE/APPRaisal/ FINANCING CONTINGENCIES.

A. Sale Contingency. *Check one box below:*

☒ This Contract is **NOT** contingent upon the sale and/or closing of any other existing property of Buyer.

☐ This Contract **IS** contingent upon the sale and/or closing of an existing property of Buyer. *If this box is checked, then complete and attach either (check applicable box):*

☐ Contingency for Sale of Buyer's Existing Property (MSC-2021R), or

☐ Contingency for Closing of Buyer's Existing Property (MSC-2022R).

☐ **B. Appraisal Contingency.** *Check this box only if this Appraisal Contingency paragraph is intended to apply:*

Note: A lender's loan approval process does not always include a traditional appraisal. Different types of "appraisals" are available and underwriting requirements vary. If Buyer's performance under this Contract is to be conditioned upon the Property appraising at the Purchase Price, check box B above and complete the following.

Buyer's performance under this Contract is contingent upon the Property appraising at not less than the Purchase Price, by an appraiser selected by Buyer or Buyer's lender and licensed by the State of Missouri (the "**Appraisal Contingency**"). Seller agrees to provide reasonable access to the Property for this purpose upon reasonable advance Notice from Buyer. If the appraised value is less than the Purchase Price, Buyer may request a reduction in the Purchase Price (but not less than the appraised value). If Buyer desires to act on this Appraisal Contingency, Buyer must deliver a written request (and a complete copy of the appraisal) to Seller no later than ____ days (25 if none stated) after the Effective Date. **Note:** MSC-2020N Appraisal Notice (Part A) may be used for this purpose. If Buyer does not timely deliver the Appraisal Notice to Seller, this Appraisal Contingency shall be deemed waived. If the parties do not reach a written agreement to reduce the Purchase Price as requested within ____ days (5 if none stated) after delivery of the Appraisal Notice to Seller (the "**Appraisal Resolution Deadline**"), then this Contract shall automatically terminate (with Earnest Money returned to Buyer, subject to §8) unless Buyer waives this Appraisal Contingency by delivering Notice thereof to Seller on or before the Appraisal Resolution Deadline. **Note:** MSC-2020N (Part C) may be used for this purpose. If the Purchase Price is reduced, the loan amount in Buyer's financing contingency (if any) shall be proportionately reduced.

C. Financing Contingency. *Check box 1, 2, or 3 below:*

☒ **1. Not Contingent Upon Financing.** Although not a condition to performance, Buyer may finance any portion of Purchase Price. (Also check the following, if applicable):

☐ Pre-Approval Letter/Proof of Funds sufficient to complete the Closing is attached.

☐ **2. Nonconventional.** *If this box is checked, then complete and attach applicable Rider:*

☐ Government Loan (MSC-2011R)

☐ Seller Financing & Disclosures (MSC-2012R)

☐ Loan Assumption (MSC-2013R))

☐ Other. _____

☐ **3. Conventional.** Buyer agrees to do all things reasonably necessary, including but not limited to completing a loan application, paying for a credit report, appraisal and any other required fees, providing all information required by lender and otherwise cooperating fully to make a good faith effort to obtain the financing described below. If Buyer does not deliver Notice, provided by Buyer's lender, to Seller of Buyer's inability to obtain a loan on the terms described below, by 5:00 p.m. on the

date (the "**Loan Contingency Deadline**") which is ____ days (25 if none stated) after the Effective Date, then this contingency shall be deemed waived and Buyer's performance under this Contract shall no longer be conditioned upon Buyer obtaining financing; provided however, if such lender will not give Buyer such Notice, then Buyer may directly notify Seller (on or before the Loan Contingency Deadline) by providing a notarized affidavit that Buyer has timely complied with all of the terms of this paragraph and that despite request, Buyer was unable to obtain such Notice from lender (See MSC-2010A "Buyer's Financing Contingency Affidavit" or MSC-2010B "Non-Individual Buyer's Financing Contingency Affidavit"). If Buyer complies with the terms of this subpart C.3 and timely provides Notice to Seller of Buyer's inability to obtain a loan on the terms described below, then this Contract shall terminate with Earnest Money to be returned to Buyer (subject to §8).

(Complete one or both) Loan amount: ____ % of the Purchase Price, or \$ ____.

Initial interest rate not to exceed: ____ %. Amortization term ____ years.

Rate Type (check one): ☐ Fixed ☐ Adjustable ☐ Other: ____

Other terms (N/A if blank): ____

If Buyer does not attach MSC-2021R or MSC-2022R (per §5A), then Buyer's inability to obtain a loan due to the failure of the sale and/or closing of another property of Buyer's will not constitute grounds to exercise this financing contingency. If there is no Appraisal Contingency (i.e., if subpart B is not checked above) or the Appraisal Contingency has been waived or removed, then failure of the Property to appraise at the Purchase Price will not constitute grounds to exercise this financing contingency.

Note: If the Loan Contingency Deadline passes without a termination, Buyer remains obligated under this Contract and must have available all Funds required to close. A "loan commitment" or "preapproval" does NOT guarantee that Buyer's loan will actually fund.

6. TITLE/SURVEY. Note: Any Seller paid Title Fees below are **in addition** to any "Seller Concessions" (see §10).

Seller shall transfer marketable title to the Property subject only to the Permitted Exceptions, as directed by Buyer, by (unless otherwise specifically agreed) general warranty deed (the "**Deed**"), properly executed and in recordable form.

A. Title. Within 4 days (20 if none stated) after the Effective Date (check applicable box below):

☐ 1. Seller shall deliver to Buyer a commitment (the "**Title Commitment**") to issue a current ALTA owner's policy of title insurance in the amount of the Purchase Price (the "**Owner's Policy**"), **both at Seller's cost.**

☒ 2. Seller shall deliver to Buyer a Title Commitment to issue an Owner's Policy (**cost of both split 50/50 by parties**).

☐ 3. Seller shall deliver to Buyer a Title Commitment, at **Seller's cost**, to issue an Owner's Policy at **Buyer's cost.**

☐ 4. Buyer may order a Title Commitment to issue an Owner's Policy (**both at Buyer's cost**).

The Title Commitment and Owner's Policy shall be issued by Boonville Abstract (the "**Title Company**").

Buyer has 2 days (10 if none stated) to review the Title Commitment after its receipt, including (other than the Permitted Exceptions as defined below), all recorded subdivision, use and other restrictions, rights of way and easements, and all other recorded documents referenced therein which Buyer may desire to obtain (the "**Title Review Period**"), and to deliver Notice to Seller of any objections which Buyer has to any matters shown or referred to therein ("**Title Objections**"); provided, however, that if box A4 is checked, then Buyer has ____ days (20 if none stated) after the Effective Date (which shall be deemed to be the "Review Period") to review all such matters and deliver Notice of any Objections to Seller. **Note:** MSC-2055N ("**Title Notice**") may be used to facilitate the delivery of any Title Objections.

If Buyer timely objects, Buyer must also deliver a copy of the Title Commitment to Seller pertaining to such Objections. Seller has ____ days (7 if none stated) after receipt of Buyer's Title Objections to agree in writing to correct the same, prior to Closing, at Seller's expense. If Seller does not so agree, then this Contract shall automatically terminate unless Buyer, within ____ additional days (3 if none stated) after Buyer's receipt of Seller's response to Buyer's Title Objections, agrees in writing to accept title without correction of such Title Objections. **Note: If Seller fails to timely respond to Buyer's Title Objections, then Seller shall be deemed to have refused to agree to correct any of them.** If the Contract is terminated under this Section, then the Earnest Money is to be refunded to Buyer (subject to §8). If any Title Objection causes a failure of marketable title, then Seller shall be liable for any survey, title, inspection and appraisal costs or charges paid or incurred by Buyer.

B. Survey Contingency. (Check on box below)

Note: Buyer should consult with its lender and Title Company as to their survey requirements and ability to provide full survey coverage.

☒ 1. **Not Contingent Upon a Survey.** Although not a condition to performance, Buyer may still elect to survey the Property.

☐ 2. **Contingent on Survey.** This Contract **is** contingent upon a survey of the Property.

☐ "Survey Rider" (MSC-2065R) is attached and incorporated herein to identify the type of "Survey" to be obtained, from whom, and the responsibility of the parties to pay for the same (the "**Survey**").

C. Permitted Exceptions. Seller is solely responsible and liable for clearing any title or survey exception that arises between the Effective Date and Closing. Any existing monetary lien (other than a lien created as a result of Buyer's actions, and any taxes or assessments to be prorated at Closing) may be paid out of the Purchase Price proceeds. Subject thereto, any item shown (or which could have been shown) on the Title Commitment or a survey for which Buyer does not timely deliver a Notice of Objection shall be deemed waived, and together with all laws and zoning ordinances, all leases and any other occupancy rights of others existing as of the Effective Date which have been disclosed to and approved of by Buyer pursuant to this Contract are collectively referred to herein as the "**Permitted Exceptions**". The Owner's Policy must include mechanic's lien coverage. Subject to any Seller Concessions (see §10), Buyer is solely responsible for the cost of any lender title insurance policy.

D. LIMITATION of Title Objection rights (only applies if the following box is checked):

☐ All recorded subdivision indentures, covenants, declarations and restrictions shall be Permitted Exceptions, and Buyer waives its right to object to any of these items as part of the Title Review Period above.

7. INSPECTIONS.

A. General. The Property is being sold in its present condition, with no warranties, expressed or implied (except as may be given to Buyer in writing). Conditions of the Property that are disclosed or clearly visible should be considered by Buyer in setting the Purchase Price, or by making correction of such conditions by Seller a requirement of this Contract. Unless waived in writing (*Check this box ☐ and attach MSC-2051R As-Is Inspection Waiver Rider for this purpose*), Buyer may inspect the Property or have it inspected by a qualified inspector on Buyer's behalf during the Inspection Period. **Note:** *The cost and availability of insurance should be ascertained during the Inspection Period, including but not limited to flood insurance.* Seller agrees to provide reasonable access to the Property for this purpose, and as may be required by Buyer's lender or insurer, upon reasonable advance Notice from Buyer. Buyer agrees to immediately repair any damage to the Property, and to indemnify and hold Seller harmless from and against all claims, costs, demands and expenses, including without limitation reasonable attorney fees and court costs, resulting from any inspection of the Property, which obligations shall survive termination of this Contract.

B. Property Data. Within ____ days (*Insert "N/A" if not applicable, otherwise 5 days if none stated*) after the Effective Date (the "**Property Data Review Period**"), Buyer may review additional data regarding the Property, including but not limited to: zoning regulations; taxes; school district; Subdivision Documents and the presence of registered sex offenders or other convicted criminals in the area ("**Property Data**"). For this purpose, "**Subdivision Documents**" means the unrecorded subdivision/homeowner association bylaws, rules and regulations and financial and insurance information for the subdivision of which the Property is a part. Seller authorizes Buyer to obtain Subdivision Documents from the association and agrees to reasonably cooperate in obtaining the same. Buyer is ultimately responsible for obtaining any Subdivision Documents or other Property Data. If unsatisfied with any Property Data, Buyer may terminate this Contract (with Earnest Money returned, subject to §8) by delivering Notice thereof to Seller prior to expiration of the Property Data Review Period. **Note:** *MSC-2049N (Property Data Review Termination Notice) may be used for this purpose.* Failure to timely provide such Notice constitutes a waiver of such termination right and Buyer's acceptance of all Property Data.

C. Inspection Reports. Buyer may (subject to the conditions expressly set forth herein), at Buyer's option and expense, obtain written inspection reports ("**Reports**") of the physical condition of the Property as reasonably deemed necessary by Buyer or its lender, including but not limited to the condition or presence (*if any*) of: flood plain status; environmental hazards; plumbing, including water well and irrigation, sewer, septic and wastewater treatment systems; electrical and mechanical systems and equipment; gas lines; soils and drainage; and any equipment included as part of the Property. **Note:** *Buyer may use form MSC-2045 (Buyer's Inspection Authorization) to coordinate the inspection process.*

D. Inspection Notice. Buyer must furnish a complete copy of the relevant Report(s) to Seller, along with a written list of any unacceptable condition(s) noted therein (the "**Inspection Notice**", See MSC-2050N), within ____ days (*10 if none stated*) after the Effective Date (the "**Inspection Period**"); but if an inspection report indicates a specialist is required for further inspection on a particular area(s) of the Property (a "**Specialist Report**"), Buyer may give Notice of same to Seller (prior to expiration of the Inspection Period) and receive an additional ____ days (*5 if none stated*) to provide the Inspection Notice. **Note:** *MSC-2047N (Notice of Additional Time for Specialist Report) may be used for this purpose.* All inspection reports, including further specialist evaluations, are the sole responsibility of Buyer, and not Seller. **Note:** *Buyer may submit only 1 Inspection Notice. It must include all matters unacceptable to Buyer. Buyer may not object to anything that is not in a Report.* Failure to perform any inspection or to timely deliver an Inspection Notice constitutes a waiver and acceptance by Buyer of all conditions any inspection may have disclosed.

If an Inspection Notice is timely given, it shall state if:

- (1) Buyer is satisfied with all inspections;
- (2) There are unacceptable conditions to be satisfied by Seller (in a workmanlike manner and prior to scheduled Closing Date, unless otherwise specified); or
- (3) Buyer elects to terminate the Contract, with Earnest Money returned to Buyer (subject to §8).

E. Resolution Period. If this Contract is not terminated as provided above, the parties shall have ____ days (10 if none stated) after Seller's receipt of the Inspection Notice (the "**Resolution Period**") to reach a written agreement as to (a) who will complete and pay for the correction of any unacceptable conditions; (b) a monetary adjustment at Closing in lieu thereof; or (c) a resolution otherwise acceptable to the parties; or this Contract will automatically terminate with Earnest Money to be returned to Buyer (subject to §8). Either a written commitment by (a) Seller to meet all requirements originally submitted by Buyer in the Inspection Notice (at Seller's expense prior to the scheduled Closing Date); or (b) by Buyer to accept the Property without satisfaction of any such requirement; (both scenarios being referred to herein as a "**Capitulation**") shall constitute an "agreement" for purposes of this paragraph, even if earlier negotiations failed. Regardless of the Resolution Period timeframe set forth above, if Seller responds by declining to satisfy all items listed in an Inspection Notice from Buyer, and does not make a counter proposal, then this Contract shall automatically terminate unless Buyer delivers a Capitulation Notice to Seller within ____ days (2 if left blank) after Buyer's receipt of Seller's Response (or the parties reach a mutually acceptable written agreement prior thereto). **Note:** A monetary adjustment may affect the terms of Buyer's loan (e.g., down payment and interest rate).

8. DISPOSITION OF EARNEST MONEY.

Notwithstanding anything herein to the contrary, Escrow Agent and/or Closing Agent (as the case may be, "**Escrow Holder**") shall not distribute the Earnest Money or any other escrowed funds held by it ("**Escrow Funds**") without the written consent of all parties to this Contract (signatures on the Closing Statement may constitute such consent). Otherwise, Escrow Holder shall continue to hold said Escrow Funds in escrow until: (1) Escrow Holder has a written agreement signed by all parties consenting to its disposition; (2) a civil action is filed to determine its disposition (including an interpleader filed by Escrow Holder), at which time the Escrow Funds may be paid into court, less any attorney fees, court costs and other legal expenses incurred by Escrow Holder in connection therewith; (3) a court order or final judgment mandates its disposition; or (4) as may be required by applicable law. A Broker who is holding any Escrowed Funds in dispute between the parties is required by §339.105.4 RSMo to report and deliver the moneys to the State Treasurer within 365 days of the initial projected Closing Date. Escrow Holder is hereby authorized to report and deliver any such moneys to the State Treasurer at any time following sixty (60) days after the initial projected Closing Date (absent receipt of written consent of all parties as set forth above). **Note:** If an Escrow Holder who is not a licensed real estate broker requires that a separate escrow agreement be executed by the parties, then those separate terms may supersede the terms of this Contract. Whenever this Contract provides for the return of Earnest Money to Buyer, Buyer agrees that any expenses incurred by or on behalf of Buyer may be withheld by Escrow Holder and paid to the applicable service provider(s).

9. LOSS/CONDEMNATION.

Risk of loss to improvements on the Property shall be borne by Seller until Closing. Seller agrees to maintain Seller's current fire and extended coverage insurance (if any) on the Property and to do ordinary and necessary maintenance, upkeep and repair through Closing. If, before Closing, any part of the Property is taken by eminent domain, or if a condemnation proceeding is filed or threatened against any part thereof (a "**Taking**"), or if any part of the Property is destroyed or physically damaged through no fault of Buyer, then Seller shall promptly provide Notice to Buyer thereof and if Seller intends to restore, prior to the scheduled Closing Date, the Property to its condition as of the Effective Date. If Seller restores the Property to its prior condition before the scheduled Closing Date, then the parties shall proceed to Closing. **Note:** MSC-2510N (Property Damage Notice) and MSC-2520N (Taking Notice) may be used to deliver Notice of any Property damage (or Taking) and any election made in connection therewith.

If the Property is not to be restored to its prior condition by Seller before the scheduled Closing Date, then Seller shall promptly provide Buyer with a copy of any policy(ies) of insurance (or authorize that it be made available), the name and number of the agent for each policy and written authorization (if needed) for Buyer to communicate with the insurer, a copy of any written communications to and from the condemning authority and /or insurer (as the case may be); the policy limits; and (if known) the amount of proceeds payable on account of such Taking of or physical damage to the Property. Buyer may then either: (1) proceed with the transaction and be entitled to all insurance proceeds (and/or Taking payments and awards), if any, payable to Seller relating to any physical damage caused to (or Taking of) the Property, in which case the amount of any such payments theretofore made to Seller (plus any deductible amount not covered by insurance, but net of any other actual costs incurred) shall be at Buyer's option either (a) a credit against the Purchase Price otherwise payable by Buyer at Closing, or (b) a credit to Buyer at Closing, and Seller shall assign to Buyer all such remaining claims and rights to or arising out of any such casualty or Taking, including the right to conduct any litigation with respect thereto; or (2) rescind the Contract, in which case all parties shall be released from any further liability hereunder and the Earnest Money shall be returned to Buyer (subject to §8). Buyer shall give Notice of Buyer's election to Seller within 10 days after Buyer's receipt of Notice of Property Damage (or Taking, as the case may be) and the aforesaid information. Closing will be extended accordingly, if such information is not received by Buyer more than 10 days prior to the scheduled Closing Date. Seller shall not settle any claim regarding a Taking prior to the Closing (or earlier termination of this Contract) without Buyer's prior written approval, which approval shall not be unreasonably withheld, conditioned or delayed. Buyer's failure to so notify Seller shall constitute an election to rescind this Contract. A rescission does not constitute a default. This Section shall survive Closing.

10. ADJUSTMENTS/CLOSING COSTS.

Adjustments, charges and Closing costs are agreed to be paid by the parties with sufficient Funds to satisfy their respective obligations hereunder, as of the date of Closing. Such matters and the following prorations shall be itemized on a closing statement prepared by Closing Agent and executed by Buyer and Seller at or prior to Closing (the "**Closing Statement**"), together with all other documents required of them pursuant to this Contract and/or customarily required by Closing Agent to complete the Closing. The parties hereby specifically permit the involved Broker(s) to obtain and retain copies of both Buyer's and Seller's Closing Statements as required by 20 CSR 2250-8.150. **Note: Buyer is cautioned to always call to confirm instructions before sending any Funds via wire transfer.**

Buyer shall pay for (where applicable):

(a) hazard insurance premium(s) from and after Closing; (b) flood insurance premium if required by lender; (c) fees for any Survey or appraisal ordered by or for Buyer; (d) Title Company charges (e.g., Closing, recording, escrow, wiring and closing protection letter fees) customarily paid by a buyer in the County where the Property is located; (e) any lender charges (e.g., appraisal/credit report fees, loan discount "points", loan origination/funding fees and other loan expenses); (f) any inspections ordered by or for Buyer; (g) special taxes (e.g., Tax Increment Financing Districts, Community Improvement Districts and Neighborhood Improvement Districts), subdivision and any other owner association assessments ("**Special Assessments**") levied after Closing; (h) the value of any heating oil or propane gas left in any tank at the Property (based on supplier current charges); (i) agreed upon repairs; (j) any municipal, conservation, fire district or other governmental authority occupancy compliance permit fees; and (k) any commission or other compensation due from Buyer to the Broker(s).

Seller shall pay for (where applicable):

(a) existing liens (recorded and unrecorded) and existing loans on the Property (if not assumed by Buyer); (b) any Seller Concessions; (c) Title Company charges (e.g., Closing, release, escrow, wire and closing protection letter fees) customarily paid by a seller in the County where the Property is located; (d) any required municipal, conservation, fire district or other governmental authority occupancy compliance inspection fees; (e) so-called "one-time" Special Assessments levied before Closing; (f) agreed upon repairs; and (g) any commission or other compensation due from Seller to the Broker(s).

The parties shall prorate and adjust between them at Closing (based on a 30 day month), with Seller to pay for day of Closing:

(a) general taxes (based on currently available assessment and rate, otherwise based on previous year); (b) all current profits, royalties, tolls or earnings arising out of or in connection with the Property ("**Income**") with Income delinquent over thirty (30) days to be collected by Seller and not adjusted. Buyer shall, upon receipt, turn over to Seller any Income received by Buyer after Closing pertaining to any time period prior to Closing and for which no adjustment has been made, after deducting and crediting any amounts due to Buyer for any time period after Closing; (c) any installments of Special Assessments becoming due and payable during the calendar year of Closing; (d) subdivision upkeep assessments and monthly association fee; and (e) flat rate utility charges (including water, sewer and trash); and (f) boat dock fees.

Seller Concessions: Notwithstanding the foregoing, at (and only upon) Closing, Seller shall pay ("**Seller Concessions**") up to, but not to exceed the amount set forth at \$2 towards Buyer's Closing costs, prepaids, inspections, lender fees, charges and expenses, Title Commitment, Owner's Policy or lender title insurance policy costs and fees ("**Title Fees**") paid by Buyer, Buyer's Broker fees, or any other expenses/fees associated with the Closing, all as approved by Buyer's lender (but not to include the cost of any home warranty or Title Fees paid by Seller).

11. BINDING EFFECT/ASSIGNABILITY/SECTION 1031 EXCHANGE.

This Contract is binding on and shall inure to the benefit of the parties and their respective heirs, successors and permitted assigns. Buyer may not assign this Contract without the written consent of Seller if: (a) Seller is taking back a note and deed of trust as part of the Purchase Price, or (b) Buyer is assuming the existing note. Assignment does not relieve the parties from their obligations under this Contract. The parties acknowledge that Buyer may desire to acquire, and/or Seller may desire to sell, the Property as part of a like-kind exchange ("Exchange") pursuant to §1031 of the Internal Revenue Code (the "Code"). Each party agrees to cooperate with the other and its qualified intermediary/ third-party facilitator in connection with any such Exchange, provided however, in no event shall Closing hereunder be delayed or affected by reason of an Exchange, nor shall consummation of an Exchange be a condition precedent or subsequent to any obligation of the parties under this Contract. No party shall, by this Contract or acquiescence to an Exchange, be required to incur any cost or expense, or to acquire or hold title to any real property, for purposes of consummating an Exchange at the request of another party (the "Requesting Party") or have its rights or obligations hereunder affected in any manner, or be deemed to have warranted to a Requesting Party that such Exchange in fact complies with the Code. A Requesting Party shall reimburse each other party for any cost or expense incurred by such non-requesting party with respect to an Exchange.

12. ENTIRE AGREEMENT/MODIFICATION.

This Contract and any rider or attachment hereto (if any) constitute the entire agreement between the parties hereto concerning the Property. There are no other understandings, written or oral, relating to the subject matter hereof. This Contract may not be changed, modified or amended, in whole or in part, except in writing signed by all parties.

325 **13. DEFAULT/REMEDIES.**

326 If either party defaults in the performance of any obligation under this Contract, the party claiming a default shall notify the
327 other party in writing of the nature of the default and the party's election of remedy. The notifying party may, but is not required
328 to, provide the defaulting party with a deadline for curing the default. Following a default by either Seller or Buyer, the other
329 party shall have the following remedies:

330 **A. Seller Defaults.** If Seller defaults, Buyer may: (1) specifically enforce this Contract and recover damages suffered by
331 Buyer as a result of the delay in the acquisition of the Property; (2) terminate this Contract by Notice to Seller, and agree to
332 release Seller from liability upon Seller's release of the Earnest Money and reimbursement to Buyer for all actual costs and
333 expenses incurred by Buyer (and which are to be specified in Buyer's Notice of default) as liquidated damages and as Buyer's
334 sole remedy (the parties recognizing that it would be extremely difficult, if not impossible, to ascertain the extent of actual
335 damages caused by Seller's breach, and that return of the Earnest Money plus all actual costs and expenses incurred by
336 Buyer represents as fair an approximation of such actual damages as the parties can now determine); or (3) pursue any other
337 remedy and damages available at law or in equity. If Buyer elects to terminate this Contract, the Earnest Money, less any
338 expenses incurred by or on behalf of Buyer, shall be returned to Buyer (subject to §8). Buyer's release of Seller shall not
339 relieve Seller's liability (if any) to the Broker assisting Seller pursuant to any listing or other brokerage service agreement
340 between them.

341 **B. Buyer Defaults.** If Buyer defaults, Seller may: (1) specifically enforce this Contract and recover damages suffered by
342 Seller as a result of the delay in the sale of the Property; (2) terminate this Contract by Notice to Buyer, and (subject to §8)
343 retain the Earnest Money as liquidated damages and as Seller's sole remedy (the parties recognizing it would be extremely
344 difficult, if not impossible, to ascertain the extent of actual damages caused by Buyer's breach, and that the Earnest Money
345 represents as fair an approximation of such actual damages as the parties can now determine); or (3) pursue any other
346 remedy and damages available at law or in equity. If Earnest Money is retained by Seller as liquidated damages, any right or
347 interest of the Broker assisting Seller with respect thereto shall be as set forth in the listing or other brokerage service
348 agreement entered into between them.

349 **14. PREVAILING PARTY.**

350 In the event of any litigation between the parties pertaining to this Contract, the prevailing party shall be entitled to recover,
351 in addition to any damages or equitable relief, the costs and expenses of litigation, including court costs and reasonable
352 attorney fees. The provisions of this Section shall survive Closing or any termination of this Contract.

353 **15 SELLER'S DISCLOSURE STATEMENT. (check one)**

354 ☐ **A.** Buyer confirms that before signing this offer to purchase, Buyer received a Seller's Disclosure Statement for the
355 Property. The Seller's Disclosure Statement is not a substitute for any inspection that Buyer may wish to obtain. Buyer is
356 advised to address any concerns Buyer may have about information in the Seller's Disclosure Statement by use of
357 contingencies under this Contract.

358 ☐ **B.** Seller agrees to provide Buyer with a Seller's Disclosure Statement within ____ days (1 if none stated) after the Effective
359 Date. Buyer has ____ days (3 if left blank) after delivery of the Disclosure Statement to review it and deliver Notice to Seller
360 if this Contract is to be terminated (with Earnest Money to be returned to Buyer subject to §8). If Buyer does not timely deliver
361 Notice of termination to Seller, then Buyer shall be deemed to have accepted the Disclosure Statement without objection.

362 ☒ **C.** No Seller's Disclosure Statement will be provided by Seller.

363 **Seller confirms that the information in the Seller's Disclosure Statement (if any) is (or when delivered will be)**
364 **accurate, to the best of Seller's knowledge. Seller will fully and promptly disclose in writing to Buyer any new**
365 **information pertaining to the Property that is discovered by or made known to Seller at any time prior to Closing and**
366 **constitutes an adverse material fact or would make any existing information set forth in the Seller's Disclosure**
367 **Statement false or materially misleading.**

368 **16. LEAD-BASED PAINT DISCLOSURE.**

369 If required by law, Seller has provided a Disclosure of Information of Lead-Based Paint and/or Lead-Based Paint Hazards
370 form.

371 **17. WALK-THROUGHS/UTILITIES.**

372 Buyer, its representatives and any inspector whose report prompted a request for repairs, shall each have the right to enter
373 and "walk-through" and verify the condition of the Property upon reasonable advance Notice from Buyer prior to Closing.
374 "Walk-throughs" are not for the purpose of conducting a new inspection, but only for Buyer to confirm that: (1) the Property is
375 in the same general condition as it was on the Effective Date; and (2) any repairs which are required or agreed upon (if any)
376 are completed in a workmanlike manner. **Note: MSC-2600N (Walk-Through Notice) may be used for this purpose.** Waiver
377 of any inspection does not waive the right to a "walk-through". Closing does not relieve Seller of any obligation to complete
378 any repairs agreed upon or required by this Contract. Seller will arrange, at Seller's expense, to have all existing utilities (if
379 any) turned on through Closing (unless utilities have been transferred to Buyer).

380 **18. SIGNATURES.**

381 This Contract may be executed in multiple counterparts, each of which shall be deemed an original, but all of which shall
382 constitute one and the same instrument. For purposes of executing or amending this Contract, or delivering a Notice pursuant
383 hereto, an approved standard form or other written document which is signed and transmitted by any electronic method
384 deemed valid in accordance with the Missouri Uniform Electronic Transactions Act, including but not limited to by facsimile
385 machine, digital signature or a scanned image, such as a pdf via e-mail, is to be treated as an original signature and document.

386 **19. GOVERNING LAW/CONSTRUCTION.**

388 faith. The terms "**Seller**" and "**Buyer**" may be either singular or plural masculine, feminine or neuter gender, according to
389 whichever is evidenced by the signatures below. Section captions in this Contract are intended solely for convenience of
390 reference and will not be deemed to modify, restrict or explain any provision of this Contract. If any provision herein shall for
391 any reason be held to be invalid, illegal or unenforceable in any respect, then such invalidity, illegality or unenforceability shall
392 not be deemed to terminate this Contract or to affect any other provision hereof, but rather this Contract shall, to the fullest
393 extent permitted by law, remain in full force and effect and be construed as if such invalid, illegal or unenforceable provision(s)
394 had never been contained herein; provided, however, that such provision(s) may be referred to in order to determine the intent
395 of the parties.

396 **20. NOTICES.**

397 Any notice, consent, approval, request, waiver, objection or other communication (collectively, "**Notice**") required under this
398 Contract (after its acceptance) to be delivered to Seller shall be in writing and shall be deemed delivered to Seller upon delivery
399 thereof to the Broker (or any of its affiliated licensees) assisting Seller, whether as a limited agent, designated agent acting,
400 dual agent or transaction broker. Likewise, any Notice to be delivered to Buyer shall be in writing and shall be deemed
401 delivered to Buyer upon delivery thereof to the Broker (or any of its affiliated licensees) assisting Buyer, whether as a limited
402 agent, designated agent, dual agent, transaction broker or Seller's subagent. Refusal to accept service of a Notice shall
403 constitute delivery of the Notice.

450 Buyer is strongly encouraged to obtain an appraisal and survey, and to review Subdivision Documents and Property Data,
451 and to otherwise fully inspect the Property.— Buyer (and all involved real estate licensees, Buyer and Seller Brokers and
452 their respective licensees identified in §25 above, collectively, the **"Brokers"**) may be present during any time of permitted
453 access to the Property. Brokers' presence at the Property at any time shall only serve to assist in the coordination of and
454 compliance with the terms of this Contract, and not in any way be interpreted as providing Brokers with special knowledge
455 or understanding of any results. The parties will rely only upon results provided by appropriate expert(s), and acknowledge
456 that Brokers have no expertise or responsibility in analyzing or interpreting those results. The parties will not rely upon the
457 Brokers in any way as to the selection or engagement of any particular company to serve as a lender, appraiser, title
458 company, surveyor or for any inspection/repair, warranty, settlement or other service (**"Service Provider"**). Such services
459 may be offered by more than one company, and the determination to select and engage a particular Service Provider is to
460 be determined solely by the parties as agreed upon herein. The parties should consider, but not be limited by, the existence
461 of errors and omissions insurance, liability insurance, business and professional licensure, membership in professional
462 associations and years of experience. **Although one or more of the Brokers may be a member a franchise, the**
463 **franchisor is not responsible for the acts of said Broker(s).**

464 **Note:** Under Missouri law, Brokers are immune from liability for statements made by engineers, land surveyors, geologists,
465 environmental hazard experts, wood destroying inspection and control experts, termite inspectors, mortgage brokers, home
466 inspectors, or other home inspection experts unless: (1) the statement was made by a person employed by a Broker; (2)
467 the person making the statement was selected and engaged by the Broker; or (3) the Broker knew prior to Closing that the
468 statement was false (or acted in reckless disregard as to whether the statement was true or false). A Broker shall not be
469 the subject of any action and no action shall be instituted against a Broker for any information contained in any Seller
470 disclosure furnished to Buyer, unless the Broker is a signatory to such, knew prior to Closing that the statement was false,
471 or acted in reckless disregard as to whether it was true or false. Acting as a courier of documents shall not be considered
472 to be making any statement contained in such documents.

473 **27. SALES INFORMATION.**

474 Permission is hereby granted by Seller and Buyer for the Broker(s) to provide, effective as of and after the Closing, sales
475 information of this transaction, including Purchase Price and Property address, to any multi-listing service, local Association

479 Act (26 U.S.C. §1445) and agrees to deliver a certificate at Closing to that effect which contains Seller's tax ID number. If

480 Seller is a foreign person, then Buyer must comply with applicable FIRPTA withholding and remittance requirements. Any
481 amount required to be withheld to satisfy FIRPTA requirements shall be taken solely from the net proceeds due Seller. If
482 the net proceeds are not sufficient to satisfy applicable FIRPTA requirements, then Seller shall deliver to Closing Agent,
483 as a condition to Closing, the additional Funds necessary to satisfy the applicable FIRPTA withholding requirements. The
484 parties should seek independent tax advice and legal counsel regarding FIRPTA and any other tax matters.

485 **B. FinCEN REPORT.** 31 CFR § 1010.821 requires that certain residential real estate transactions purchased with all cash
486 or without institutional lender financing, where at least one buyer/transferee is a legal entity, limited liability company,
487 corporation, partnership, trust, trustee or other non-natural person, must be reported to the United States Treasury
488 Department's Financial Crimes Enforcement Network (FinCEN). IF THIS TRANSACTION IS SUBJECT TO THE FinCEN
489 REPORT, Seller and Buyer shall, no later than Closing, provide to the Closing Agent all information necessary to complete
490 the FinCEN Report. Buyer shall be responsible for all costs and fees to prepare and file the FinCEN Report.

492 is not, and is not acting, directly or indirectly, for or on behalf of any person or entity, named as a Specially Designated
493 National and Blocked Person (as defined in Presidential Exec. Order 13224), or with whom you are prohibited to do
494 business under anti-terrorism laws.

495 **29. ACCEPTANCE DEADLINE/EFFECTIVE DATE.**

499 accepted it by both (1) signing it; and (2) providing timely notice of such acceptance (whether orally or in writing) to Buyer or

Re: City Council 8.17.26

Tonight we will have the public hearing on the tax levy, this will be right before the Council meeting. We received the paperwork on Tuesday, so we will be able to make the September 1 deadline without a special meeting.

A few notes on the Council agenda are below.

- Suspension of open containers and street closure: The resolution to close Morgan Street and lift the open container suspension is on the agenda following the event permit that was discussed at the last meeting. BAMA picked up the door hangers and put them out prior to the meeting.
- First and Second reading setting a tax levy for April 1, 2026: Annually, the City is required by state statute to set the tax levy annually. The rate is determined by the valuation in the city (including new construction) and any increase allowable under the Hancock Amendment. The State auditor and County Clerk do this work of establishing the level. The levy for the City's portion of real and property tax is .7035 per \$100 value assessed. This is the same levy as last year. This is a first and second reading, so the levy can be set by the statutory September 1 deadline.

Miscellaneous Items

- We have been having HVAC issues at the animal control facility, lately. I asked Questec to investigate the issues, and it has been determined that the duct work was not properly insulated, resulting in condensation issues in the building. Additionally, there was an ERV system installed which ran 24/7 and the motor has now burned out. Questec has come back with a proposal to replace the ERV, new HVAC and repairing/replacing the duct work as needed. I have talked with Questec, and they believe the HVAC could wait till the next fiscal year, but the duct work should be fixed immediately. The quote and scope of work are attached. Although I have authority to move forward with projects less than \$30,000 in ordinance, I wanted to make you aware of this project.

Although Questec believes it can wait, I am going to move forward with the entire project this year, which will be cheaper than doing two projects. The funding will come from gaming. I also am putting this building and the fire station on a maintenance program with Questec moving forward.

- As we close the 2026 pool season, many thanks to all the high school and college kids who joined us this summer to make sure everyone had a fun and safe time at the pool. These kids worked long hours, and I am proud of their hard work and commitment. The pool is a great community asset, and we couldn't do it without them!
