DRAFT COPY PENDING CITY COUNCIL REVIEW AND APPROVAL

City of Boonville City Council Meeting Minutes May 6, 2019

The Boonville City Council met in Regular Session on May 6, 2019 at 7:00 p.m. in the Council Chambers located at 525 East Spring Street, Boonville Missouri. The following officers were present: Ned Beach, Mayor; Irl Tessendorf, City Administrator; and Teresa Studley, City Clerk. Doug Abele, Interim City Counselor, was absent.

NOTICE POSTED: Thursday, May 2, 2019 at 4:23 p.m.

CALL TO ORDER – PLEDGE AND PRAYER

The meeting was called to order and Mr. Morris Carter led the prayer after the pledge of allegiance.

ROLL CALL

The following Council Representatives were present: Morris Carter, Whitney Venable, Michael Stock, Steve Young, Susan Meadows, and Brent Bozarth. Council Representatives Vanessa Dorman and Henry Hurt were absent.

HEARING OF CITIZENS' COMMENTS

Brad Wooldridge, Ward 1, came before the Council regarding the proposed street closure and parking restriction request for the Heritage Days Celebration for June 18 through 23, 2019. Mr. Wooldridge advised that he operates W.J.'s Restaurant at the corner of Chestnut and Sixth Streets. Mr. Wooldridge reminded the Council that the proposed closure is the exact same format that was used last year, which did not work for his business. Mr. Wooldridge stated that the documentation that was submitted to the Council that references Sixth Street, from Spring to Chestnut Streets, is labeled as "Refused – No Signature for W.J.'s". Mr. Wooldridge stated that no one made contact with him regarding said closures. Mr. Wooldridge submitted photos to the Council showing the issues that had resulted from the same formatted closure from last year (See **Attachment A** herein incorporated and attached to the minutes). Mr. Wooldridge stated that 6th Street became a parking loading and unloading zone for the carnival for the entire weekend. Mr. Wooldridge detailed item by item, the problems shown in the photos from the parking restrictions last year. Mr. Wooldridge expressed his concern with the request because for the entire week, the ingress and egress to the business, will not be allowed. The modified request from last year, pushed the event south towards the front of his business, which did not allow for any parking spaces for his patron's. Mr. Wooldridge reviewed the other closures and parking restrictions requested that would affect his business, for example; Sixth Street (Spring St. to Alley by Fire Station No. 2), and Chestnut Street (Main to Sixth St.); both of those closures will have a negative effect on his business. Mr. Wooldridge stated that the proposed blockades will completely landlock his business for the busiest weekend of the year. Mr. Wooldridge stated that last year, he expressed concerns regarding the location of the dumpster and was told that it

would not be moved. Mr. Wooldridge had also expressed concerns regarding the parking of box trucks, trailers, etc. that were blocking his business and after his complaint, the vehicles were moved only five feet. They were not working with his business at all. Mr. Wooldridge asked that the Council look at the request objectively.

APPROVAL OF THE MINUTES OF THE APRIL 15, 2019 COUNCIL MEETING

The minutes were approved as presented.

CONSENT ITEMS

The following Consent Items were presented for approval:

- a. Consider Pay Request No. 2 from Earthworks Excavation and Associates, LLC in the amount of \$16,468.10 for Rice Mueller Stormwater Improvements
- b. Consider Change Order No. 2 from Earthworks Excavation and Associates, LLC in the amount of ~~<\$4,125.00>~~ **CREDIT** for Rice Mueller Stormwater Improvements

Mr. Carter moved, and Ms. Meadows seconded the motion to approve the Consent Items. Ayes: Carter, Venable, Stock, Young, Meadows, and Bozarth. Total (6). Opposed: None. Total (0). Absent: Dorman and Hurt. Total (2). Motion Carried.

PRESENTATION OF ACCOUNTS AND CLAIMS

Ms. Studley read the ordinance appropriating money, in its entirety, and a second time by title only, since a copy of the ordinance had been made available prior to the meeting. Mr. Carter moved, and Mr. Stock seconded the motion for approval. Roll call was taken. Ayes: Carter, Venable, Stock, Young, Meadows, and Bozarth. Total (6). Opposed: None. Total (0). Absent: Dorman and Hurt. Total (2). Motion Carried.

UNFINISHED BUSINESS

SECOND READING OF BILL NO. 2019-014 VACATING AN UNIMPROVED STREET IN HAZEL LANE ADDITION

Ms. Studley read, by title only, a copy of the bill. Mr. Carter moved, and Mr. Venable seconded the motion to approve the bill vacating the unimproved street. Mr. M.L. Cauthon III, Director of Public Works, informed the Council that Mary Lynn Agnew and Adam Banks purchased the property in the Hazel Lane Addition. They have sent letters requesting the City of Boonville vacate the street, since they have no intention of developing the property. Access to the property will be accessible through another piece of property they had purchased on Jefferson Drive. Mr. Cauthon stated that they will be building a house at that location. The planning and zoning commission have reviewed the plans and recommend vacation of the street. Mr. Cauthon stated that Ms. Agnew and Mr. Banks are present at the meeting if there are any questions for them. There were no questions. Roll call was taken. Ayes: Carter, Venable, Stock, Young,

Meadows, and Bozarth. Total (6). Opposed: None. Total (0). Absent: Dorman and Hurt. Total (2). Motion Carried.

CONSIDER PURCHASE OF MINI-EXCAVATOR FOR STREET DEPARTMENT

Mr. Carter moved, and Mr. Venable seconded the motion to approve the recommendation to purchase the Takeuchi TB290 Mini Excavator with the quote offered by Bobcat of Columbia for \$90,500.00. Mayor Beach inquired of Mr. Bozarth if the information included in the packet answers all of his questions regarding the specifications. Mr. Bozarth responded that he thinks everything looks fine. Mr. Carter questioned why the City has decided to purchase this piece of equipment rather than leasing. Mr. Cauthon responded that it depends on the piece of equipment. Some of the leased pieces of equipment that the City currently has are too expensive to purchase and are used so much that the City of Boonville does not necessarily want to burden ourselves with the continued maintenance on the equipment. Mr. Carter inquired if the City would save on maintenance if the equipment could be traded out before it became worn out. Mr. Cauthon responded that if you end up trading equipment out too frequently, you may not necessarily gain your money back from the original purchase of the piece of equipment. The City may lose money on that. Mr. Tessendorf stated that the City purchased this type of equipment approximately two years ago, and this was the first time that we have ever had this piece of equipment. The city staff do not have the experience with the usage patterns over a long period of time, to know whether you want to lease it or if you want to purchase it. Mr. Tessendorf stated that this piece of equipment will not be used intensively, therefore it should last the City ten to fifteen years, unlike a piece of equipment that is used every day. After a few years, the piece of equipment that is used every day, the City of Boonville would not want to own that piece of equipment anymore. Mr. Tessendorf added that it is not only the maintenance cost, but the dependability of the equipment. The City needs dependable equipment that can be used every day, and you're not wasting time waiting for repairs to be completed for a piece of broken-down equipment that is not able to be used. With no further questions, roll call was taken. Ayes: Carter, Venable, Stock, Young, Meadows, and Bozarth. Total (6). Opposed: None. Total (0). Absent: Dorman and Hurt. Total (2). Motion Carried.

NEW BUSINESS

FIRST READING OF BILL NO. 2019-015 AMENDING THE BUDGET FOR FY 2019-2020

Ms. Studley read, by title only, a copy of the bill.

CONSIDER STREET CLOSURE AND PARKING RESTRICTION REQUEST FOR HERITAGE DAYS CELEBRATION FOR JUNE 18-23, 2019

Mayor Beach stated that this item will be moved to the next council meeting. Mayor Beach requested that the Heritage Days Committee and Mr. Brad Wooldridge resolve the concerns involving the proposed street closure and parking restrictions request.

REPORTS OF STANDING COMMITTEES

PLANNING AND ZONING COMMISSION – APRIL 9, 2019

Mr. Venable reported that the minutes are available in the packet. Mr. Venable advised he will answer any questions. There were no questions.

HOUSING AUTHORITY – APRIL 11, 2019

Mr. Carter reported that everything is moving forward and they are in good standing. The minutes are available for review in the packet.

BOARD OF PUBLIC WORKS – APRIL 25, 2019

Ms. Meadows reported that the meeting was cancelled.

INDUSTRIAL DEVELOPMENT AUTHORITY – APRIL 25, 2019

Mr. Young reported that the meeting was cancelled.

MUNICIPAL FACILITIES AUTHORITY – APRIL 25, 2019

Mr. Young reported that the meeting was cancelled.

STREET, ALLEY, AND SANITATION – APRIL 24, 2019

Mr. Stock reported that he was not able to attend the meeting, however the minutes are available for review in the council packet.

REPORTS OF CITY OFFICIALS

CITY ADMINISTRATOR

- Street Maintenance Update

Mr. Tessendorf advised that the annual street inspection list is enclosed in the council packet. There will be bids forthcoming within the next thirty to sixty days. Mayor Beach stated that the enclosed list gives everyone an idea of what is happening in each specific ward.

MAYOR

Mayor Beach directed the Council to the vacant committee positions and committee appointment that was included in the council packet. Mayor Beach advised that he has several appointments that need to be approved by Council. Mr. Carter moved, and Mr. Stock seconded the motion to accept the Mayor's committee appointments. With no further discussion, roll call

was taken. Ayes: Carter, Venable, Stock, Young, Meadows, and Bozarth. Total (6). Opposed: None. Total (0). Absent: Dorman and Hurt. Total (2). Motion Carried.

Mayor Beach asked that everyone please review the 2018 Annual Water Quality Report. One of the most important things we do from an infrastructure standpoint, is to make sure that the city has good water.

CITY CLERK

No report was offered.

MISCELLANEOUS

Mayor Beach invited Ms. Fjell to come before the Council and discuss what is needed for the medical marijuana planning ordinances. Ms. Fjell directed the Council to page two of the council packet. Ms. Fjell opened the discussion stating that the decisions before the council and the planning and zoning council are as follows: the appropriate zoning districts for medical marijuana facilities; the time and manner in which these activities occur; and the setbacks required for these facilities relating to distances from churches and schools. Ms. Fjell clarified that each type of activity, cultivation, manufacturing, testing, and dispensaries can have different requirements if the Council and Commission choose. Ms. Fjell stated that staff recommendation for the facilities are as follows:

- Cultivation, Manufacturing (infusion) and Testing: C-2
- Dispensaries: C-1

These zoning districts already included similar type activities and therefore, are the most appropriate. After discussion, it was generally agreed to move forward with the staff zoning recommendations.

Planning and Zoning Chairman, Matt Billings, stated that he felt that dispensaries should have the same set back and operating requirements as a liquor license, 100 feet, but no setback for other medical marijuana facilities. The Council and other Planning and Zoning Commission members concurred, that this recommendation should be used for the setbacks in the ordinances. Mr. Venable stated that he believed the hours of operation for a dispensary should also be similar to the liquor license regulations, 6:00AM- 1:30 AM, Monday-Saturday. This was the recommendation for the time and manner of operations; the recommendation for all other facilities is to have no limitations.

Ms. Fjell stated that the draft rules may include licensing requirements similar to other businesses in Boonville, such as tattoo parlors, which require an annual inspection prior to issuing a business license. Mr. Carter questioned Chief Carmichael if he conducts an annual fire inspection on businesses already. Mr. Carmichael responded that he does inspections on a two to three-year rotation. Ms. Meadows questioned if the Cooper County Health Department would be involved or if they are required to do inspections. Ms. Fjell responded that she wasn't sure, but believes that the Health Department would have to do inspections on any food production/manufacturing that occurs in the City.

Ms. Fjell stated that the ordinances would be reviewed at the next Planning and Zoning Commission meeting on May 14th and if recommended, they would go to City Council for review and adoption at the Council Meetings on May 20th and June 3rd. There was no further discussion.

Ms. Meadows commented to the Council that she feels that it is time to think outside the box of the Spring Street, 6th Street, and Chestnut Street areas being used for the Heritage Days Festival. Ms. Meadows stated that the 2nd/Spring Street Corridors would be perfect for this venue. Ms. Meadows would encourage that whatever is worked out, that the Council need to encourage this area to be used.

Mr. Carter commented to the Council that he believes that, over the past week, the City of Boonville had just gotten a “taste” of what will happen in town when the State of Missouri chooses to do some type of construction to the Missouri River Bridge on I-70. Mr. Carter commended the police officers for their efforts in traffic control, during this difficult time.

ADJOURN

With no further discussion, Mr. Carter moved, and Mr. Young seconded the motion to adjourn at 7:53 p.m. and the voice vote was unanimous.

Respectfully Submitted,

Teresa Studley, City Clerk

Approved:

Ned Beach, Mayor

ORDINANCE APPROPRIATING MONEY

From: Kate Fjell

RE: Economic Development Services

As you may recall, Kenny Hirlinger came to the Council in February to discuss potential changes to the economic development work in the City. He proposed that the City do a contract for services with a non-profit entity to do economic development for the City. This entity would hire an economic developer and manage economic development on a daily basis. This contract would also be signed by the County, who would contribute annual funds to support their work. The Industrial Development Authority (IDA) would continue to stay in existence and be utilized when contemplating incentives for a company looking to relocate in Boonville.

Since his visit to Council, a small group has continued to work through the logistics of making this transition. A key portion was determining if a new entity needed to be created or if the existing Boonslick Community Development Corporation (CDC) could be used for this work. After reviewing the bylaws and the 501c(3) application, it has been determined that the CDC can be utilized for economic development. Appropriate steps have been taken by the CDC to undertake this new role, including bringing on new members from the IDA.

At this time, the CDC would like to formalize the agreement so they can begin to advertise for the economic development position.

A RESOLUTION OF THE CITY OF BOONVILLE, MISSOURI APPROVING AND ACCEPTING AN AGREEMENT BY AND BETWEEN THE CITY OF BOONVILLE, MISSOURI AND BOONSLICK COMMUNITY DEVELOPMENT CORPORATION PERTAINING TO ECONOMIC DEVELOPMENT SERVICES

WHEREAS, the City of Boonville, Missouri has received a proposal to enter into an agreement by and between the City of Boonville, Missouri and Boonslick Community Development Corporation; and

WHEREAS, under the proposal, the City of Boonville, Missouri shall pay the sum and amount of Forty-five thousand dollars (\$45,000) and as consideration therefore, the City of Boonville, Missouri, shall receive services relating to industrial, economic and community development as more fully described in the proposed agreement attached to this resolution and incorporated by reference as though agreement were set forth herein.

THEREFORE, be it resolved by the City Council of the City of Boonville, Missouri as follows:

SECTION 1: That a certain Agreement between the Boonslick Community Development Corporation and the City of Boonville, Missouri relating to the Provision of Economic Development Services, a copy of which is marked "Exhibit A" is attached hereto and made a part hereof, is hereby approved.

SECTION 2: That the Mayor and the City Clerk are hereby authorized to execute and attest said agreement on behalf of the City of Boonville.

SECTION 3: This resolution shall take effect and be in full force after its passage and approval.

PASSED THIS 20th DAY OF May 2019, BY THE CITY COUNCIL OF THE CITY OF BOONVILLE, MISSOURI

NED BEACH, MAYOR

ATTEST:

TERESA STUDLEY, CITY CLERK

AGREEMENT

This agreement made and entered into this ____ day of _____, 2019, by and between the City of Boonville, Missouri, a municipal corporation, (hereinafter called "City"), Cooper County, a Missouri county, (hereinafter called "County") and Boonslick Community Development Corporation, a Missouri not-for-profit corporation (hereinafter called "Corporation").

WITNESSETH:

Whereas, there has been established a private not-for-profit development corporation known as Boonslick Community Development Corporation; and

Whereas, the City as well as the County does hereby engage and retain the Corporation to manage and operate an economic development office to render the services hereinafter contemplated, and the Corporation does hereby agree such engagement and to discharge its duties in accordance with the terms and conditions hereinafter set forth; and

Whereas, the purpose of the Corporation is the preparation and implementation of programs to enhance the industrial, economic and community development of the City of Boonville and the County of Cooper; and

Whereas, the Corporation is engaged as an independent contractor and is not an officer, agent or employee of either the City or the County; and

Whereas, the Corporation is administered by a Board of Directors consisting of at least twelve (12) members as provided for in the Corporation's Amended By-Laws, up to 8 of which are members of the Industrial Authority of the City of Boonville, 1 of which is the City Administrator and 3 of which are appointed by the County Commission of Cooper County.

Now, therefore, in consideration of the mutual agreements hereinafter contained and subject to the terms and conditions hereinafter stated, it is hereby understood and agreed by the parties hereto as follows:

1. The Board of Directors of the Corporation shall prepare and implement marketing plans that will provide goals and objectives in accomplishing the industrial, economic and community development of the City of Boonville and the County of Cooper that are in the best interests of the City of Boonville and the County of Cooper and said Board further agrees to implement this plan. These goals and objectives will be quantified.
2. The Corporation shall submit to the City and County each year an annual operating budget for the corporation for the next fiscal year and report of the previous year's activities, expenditures and results.

3. As consideration for the services provided by the Corporation relating to the industrial, economic and community development of the City and the County, the City shall pay the Corporation \$45,000.00 annually, said money to be paid annually and due on the 1st day of June, 2019 and each 1st of June thereafter during the period of this contract. The County shall pay the Corporation \$35,000.00 annually, said money to be paid annually and due on the 1st day of June, 2019 and each 1st of June thereafter during the period of this contract.

4. The Corporation shall employ a Director or Economic Development for attraction and retention of industry and business as well as to work towards all goals and objectives in accomplishing the industrial, economic and community development. The Corporation agrees that the Director of Economic Development will be available to provide in-person reports on the activities, direction, accomplishments to the City Council and County Commission on a regularity to be agreed upon by the City, County and Corporation.

5. The Corporation may request certain City and County employees may be utilized and made available as needed and when available for assistance and/or collaboration for research, advice and other needs to accomplish projects, attraction and/or goals. All parties to this agreement commit their organizations to cooperation between the three parties as a primary objective.

6. The Corporation may request the City and/or the County to contribute manpower and equipment towards maintenance of and/or development of industrial parks and/or like properties for economic development purposes and City and/or County, when manpower and equipment are available may, at their individual options, comply with such request.

7. The City will provide for the Corporation at no charge during the duration of this contract a facility, maintenance, utilities, existing equipment and existing furnishings for office space and operations located in the first story of the city-owned building located at 422 E. Spring Street, Boonville, MO and formerly known as the Economic Development Office.

8. The Corporation shall, at the end of each calendar year, arrange for a review of the year's finances, income and expenses by a Certified Public Accounting firm in accordance with generally accepted review standards.

9. The Corporation agrees to have the City Administrator of the City of Boonville and a Commissioner of Cooper County appointed as two of the board members of the Corporation.

10. The initial term of this Agreement shall be for three (3) years with two (2) additional automatic one (1) year renewal options following the initial three years. The effective date of this agreement is June 1, 2019. This agreement and the renewals can only be terminated by unanimous mutual agreement of all three parties (the City, the County and the Corporation) and said agreement to terminate must be at least 90 days prior to any effective date of termination of this agreement.

M.L.,

I sent sister the required paperwork for the 1st street closure. Thank you for getting that through to me.

Regarding the picnic tables this year, can you please have the Park Dept. set out 10 of them for us this year instead of the 25 please. Also we need 10 blue trash barrels and the two street barricades.

Many thanks!!

Todd

Subject: Katy Bridge Wine Walk

M.L.,

Can you please assist me with a couple of things for the Katy Bridge Wine Walk please?

The Wine Walk will be the first Saturday of June - June 1st this year. I need barricades for both ends of 1st street between Morgan St. and Spring St. I also need to have the Parks department mark any underground sprinkler system as we will be putting up a tent. Can you also please have the Parks department put a bunch of the "Picnic" tables on the grassy area in front of the depot as well.

We appreciate your help as always, as you help make our event such a great success!!

Regards,

Todd Baslee

BILL NO. 2019-019

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF BOONVILLE, MISSOURI ESTABLISHING ARTICLE XIII, MEDICAL MARIJUANA FACILITIES IN CHAPTER 10, LICENSES AND TAXATION, BOONVILLE CODE OF GENERAL ORDINANCES; PROVIDING AN EFFECTIVE DATE THEREFORE AND REPEALING ALL ORDINANCES IN CONFLICT WITH THIS ORDINANCE.

WHEREAS, An amendment to Missouri's Constitution was approved by voters on November 2, 2018 allowing access to Medical Marijuana in Missouri; and

WHEREAS, Medical marijuana uses are licensed and regulated by the State of Missouri; and

WHEREAS, The Planning and Zoning Commission considered these changes on May 14, 2019 at a public meeting.

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BOONVILLE, MISSOURI AS FOLLOWS:

SECTION 1: That Chapter 10, Licenses and Taxation, is amended to add Article XIII, Medical Marijuana Facilities, as set forth in **Exhibit A**, which is incorporated herein as set out fully in this ordinance as set out fully in this ordinance.

SECTION 2: This Ordinance shall take effect and be in full force after passage and approval.

SECTION 3: That all ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.

FIRST READING: MAY 20, 2019

READ FOR THE SECOND TIME AND PASSED THIS 3rd DAY OF JUNE, 2019, AFTER A COPY OF THIS ORDINANCE AND EXHIBIT HAVE BEEN MADE AVAILABLE FOR PUBLIC INSPECTION PRIOR TO ITS FIRST READING.

PRESIDENT OF THE COUNCIL

APPROVED THIS 3rd DAY OF JUNE, 2019

NED BEACH, MAYOR

ATTEST:

TERESA STUDLEY, CITY CLERK

ARTICLE XIII. MEDICAL MARIJUANA FACILITIES

Sec. 10-282 Definitions

Marijuana means Cannabis indica, Cannabis sativa, and Cannabis ruderalis, hybrids of such species, and any other strains commonly understood within the scientific community to constitute marijuana, as well as seed thereof and resin extracted from the plant and marijuana-infused products. Marijuana does not include industrial hemp containing a crop-wide average tetrahydrocannabinol concentration that does not exceed three-tenths of one percent on a dry weight bases, or commodities or products manufactured from industrial hemp.

Medical Marijuana-Infused Products means products that are infused with marijuana or an extract thereof and are intended for use or consumption other than by smoking, including, but not limited to, edible products, ointments, tinctures and concentrates.

Medical Marijuana Cultivation Facility means a facility licensed by the State of Missouri to acquire, cultivate, process, store, transport and sell marijuana to a Medical Dispensary Facility, Medical Marijuana Testing Facility, or to a Medical Marijuana-Infused Products Manufacturing Facility.

Medical Marijuana Dispensary Facility means a facility licensed by the State of Missouri to acquire, store, sell, transport and deliver marijuana, marijuana-infused products and drug paraphernalia used to administer marijuana as provided for in this section to a qualifying patient, a primary caregiver, another Medical Marijuana Dispensary Facility, a Medical Marijuana Testing Facility or a Medical Marijuana- Infused Products Manufacturing Facility.

Medical Marijuana-Infusion/Manufacturing Facility means a facility licensed by the State of Missouri to acquire, store, manufacture, transport and sell marijuana-infused products to a Medical Marijuana Dispensary, a Medical Marijuana Test Facility or to another Medical Marijuana- Infused Products Manufacturing Facility.

Medical marijuana Testing Facility means a facility certified by the State of Missouri to acquire, test, certify and transport marijuana.

Medical Marijuana Facilities means all medical marijuana facilities including medical marijuana cultivation facility, medical marijuana dispensary, medical marijuana infusion/manufacturing facility and medical marijuana testing facility.

Sec. 10-283 Operating Permits

- (a) All Medical Marijuana Facilities, including dispensaries, manufacturing, cultivation and testing, shall not operate without a current permit issued by the City of Boonville.
- (b) Any person desiring to operate a medical marijuana dispensary, manufacturing, cultivation or testing facility shall make a written application for a permit on the form provided by the City of Boonville. The application shall include the applicant's full name, facility owner's name, address, telephone number, location of the proposed facility and such information as the City requires to enforce the provision of the article.
- (c) After receipt of the application, the Fire Chief and/or Building Inspector and/or Police Chief shall inspect the proposed facility to determine compliance with the provisions of this article.

- (d) If applicable, the person seeking a permit for a facility that requires a health inspection completed by the Cooper County Health Department shall submit the completed inspection prior to the City issuing a permit.
- (e) The city shall not issue a permit until the applicant supplies the State licenses issued to the person/entity. The City operating permit should be issued to the same person/entity that holds the state license.
- (f) An annual inspection fee of \$100.00 shall be collected at the time the permit is issued.
- (g) A permit for a medical marijuana facility may be granted at any time during the year, but all such permits shall expire on the 31st day of the next succeeding December. Medical marijuana facility permits shall not be transferable.
- (h) The medical marijuana permit and any regulations shall be posted at all times in a conspicuous place in the facility.

Sec. 10-284 Suspension and revocation of permits

- (a) Medical marijuana facility permits may be suspended by the City of Boonville for failure of the holder to comply with the requirements of this article. Whenever the Building Inspector, Fire Chief, Police Chief finds unsanitary, unsecure or inadequate conditions which in their judgement, constitute a substantial hazard to public health and safety, the building inspector, fire chief or police chief may issue a written notice to the permit holder citing such condition, specifying the corrective action to be taken and specifying the time period within which such action shall be taken. If deemed a substantial hazard to the public health and security, the order shall state that the permit is immediately suspended. Any person to whom such an order is issued shall comply immediately, but upon written petition to the City Administrator, shall be afforded a hearing within five days.
- (b) Any person with a City permit that has their license suspended or revoked by the State of Missouri Department of Health and Human Services shall also have the City permit revoked.
- (c) Any person whose permit has been suspended may, at any time, make application for a re-inspection or reinstatement of the permit. Within five business days following the receipt of the written request the City shall reinspect the facility. If the applicant is found compliant and can produce a current state license, the permit shall be reinstated.

Sec. 10-285 General Regulations, Medical Marijuana Dispensary

- (a) No license shall be issued for a medical marijuana dispensary, within 100 feet of any school or church, unless the applicant shall first obtain in writing the consent of the city council except that when a school or church shall hereafter be permitted to operate a medical marijuana dispensary, the license shall not be denied for this reason. Such consent shall not be granted until at least ten (10) days written notice has been provided to all owners of property within 100 feet of the proposed permitted premises.
- (b) Medical marijuana dispensary shall remain closed between the hours of 1:30 a.m. and 6:00 a.m. on weekdays and between the hours of 1:30 a.m. Sunday and 6:00 a.m. Monday.
- (c) Medical marijuana dispensary shall not sell, vend, give away or otherwise supply medical marijuana to any person not possessing a valid State of Missouri patient ID card or a person who is a caregiver or a qualified patient.

- (d) Medical marijuana dispensary shall not sell, vend, give away or otherwise supply medical marijuana to any person under 21 unless they possess a valid State of Missouri patient ID card or a person who is a caregiver or a qualified patient.

STAFF/PRESENTERS/GUESTS

Kate Fjell
M.L. Cauthon

NOTICES AND EXHIBITS: Posted and available on Thursday, May 9th at 5:00PM at City Hall.

1. **CALL TO ORDER:** Chairman Billings called the meeting to order at 6:05 p.m. Roll call was taken with six (6) of eight (8) members present constituting a quorum.
2. **MINUTES:** Mr. Novy moved, and Mr. Cassanova seconded a motion that the minutes be approved as presented. Motion carried unanimously.
3. **HEARING OF PUBLIC COMMENTS:** None
4. **OLD BUSINESS**

- a. Review of proposed medical marijuana zoning ordinances

Ms. Fjell directed everyone to the planning and zoning packet and reminded the members that at the last work session with the City Council, members discussed three areas of medical marijuana: setbacks, zoning districts, and time and manner in which these business operate. During the work session consensus was reached by Council and Commission and the draft rules reflect this. The zoning districts identified were C-1 for dispensaries and C-2 for medical marijuana cultivation, manufacturing and testing facilities. During the work session, it was also recommended that there should be 100-foot setback and operating hour limitations on the dispensaries. These requirements will be incorporated in Chapter 10, Taxation and licensing of the City Code of Ordinances. Ms. Fjell had a draft of the new section in Chapter 10 relating to medical marijuana facilities in the planning and zoning packet. In addition to the dispensary requirements, the section also includes an annual permit process at the City level while includes an

annual inspection by the building inspector, fire chief and police chief. The annual permitting section also includes conditions in which an operating permit may be revoked or suspended. Ms. Fjell also noted that City Counselor, Doug Abele, is still reviewing the draft Ordinances for completeness and there may be some changes.

Mr. Billings noted that he had a few corrections, including: adding the word “medical” in the definition of marijuana infused products; adding the owners names to the permit application; and adding “State of Missouri” to Section 10-285 (c).

Mr. Novy inquired why we allowed the police chief or fire chief or building inspector to do the inspection, and if it would be better to assign one position the responsibilities. Ms. Fjell stated that having multiple people with inspection capabilities gives the City more flexibility to act. Mr. Novy stated that he hoped all three would do the inspection since they all offer different areas of expertise. Ms. Fjell stated that initially, she assumes all three will since the number of medical marijuana permits will probably be minimal within the City. Mr. Cauthon also stated that the Cooper County Health Department will also play a role in inspecting food preparation facilities if a medical marijuana infusion/manufacturing business comes into the City that produces edible food products.

Mr. Day suggested different wording in section 10-285 (b), relating to Medical Marijuana operating hours. He stated that it was unclear and confusing as currently written. After some discussion, it was suggested to work with Mr. Abele to reword that section for clarity.

There being no further discussion, Mr. Novy moved and Mr. Cassanova seconded a motion to recommend to the Council approval and adoption of the rules with the changes recommended by the Commission during the discussion. Ayes: Day, Novy, Cassanova, Billings, Hage, Bleil (6); Nays: None (0); Abstain: (0)

5. NEW BUSINESS: None

6. MISCELLANEOUS: None

7. ADJOURN: Mr. Hage moved and Mr. Novy seconded the motion to adjourn the meeting with all Commissioners voting in favor at 6:40 PM.

- Gave a tour of the plant to an Environmental Science class from State Fair.

Treatment

- Normal operations and maintenance were performed this month.
- Notice of a barge wreck on the river. No impact to the treatment process.
- Washout and inspection of the Krohn Tower was performed.
- Pre-sed flocculator #2 and #3 being repaired.
- DR6000 sent to Hach for repair.
- Cummins working on the booster station generator.
- Turned all heaters off in towers and buildings.

Project Updates

- Waiting for Alliance pump to pull the west river pump.
- Waiting for good weather to start the roof project.

Safety

- Safety meeting was on vehicle safety.

Regulatory

- Ten Microbiological samples were taken in the distribution system. All samples tested were absent of Total Coliform and E-Coli. Report sent to DNR. (see attached)
- Started a new round of Cryptosporidium and Giardia sampling from the River.

Concerns for the Month

- River level is still high

Positives for the Month

- No problems caused by the barge wreck.

OUR
MISSION

We partner with communities to deliver the finest water and wastewater services available at a competitive price. We are committed to keeping water safe and clean while serving people and taking care of communities with improved technical operations, careful management and financial oversight, and ensured regulatory compliance.

DISTRIBUTION DISINFECTION

1. Number of samples analyzed, A: 10
2. Number of samples below 0.2 mg/L, B: 0
- [(A-B)/A] x 100 = C: 100 % meeting minimum disinfection required.
3. Avg. disinfectant residual for the month 3.06 mg/l

TURBIDITY

1. Total number measurements taken monthly, A: 177
2. Number of measurements below 0.3 NTU, B: 177
- [B/A] x 100 = C: 100 % meeting turbidity requirements.

Date	Hours of operation	Finished water temperature (C)	Lowest disinfectant at entrance to distribution system (mg/L) ☒ Free Chlorine - FC ☒ Chloramines - CM	Highest turbidity measurement of the day	Duration disinfectant fell below 0.5 mg/L free Cl ₂ or 1 mg/L chloramines	Value of turbidity measurements that exceed

MO 780-1804 (07-13)

INSTRUCTIONS: DISINFECTION AND TURBIDITY REPORT FOR SURFACE WATER SYSTEMS <10,000 POPULATION

Please fill out information completely and legibly.

Distribution Disinfection

1. On line 1, enter the total number of samples from the distribution system analyzed for residual disinfectant concentration (total chlorine or combined chlorine) during the month. The residual disinfectant concentration measurements must be taken at the same time and location as your routine monthly coliform samples. This is the value for A.
2. On line 2, enter the number of samples for the distribution systems that had less than 0.2 mg/L residual disinfectant concentration. This is the value for B.
3. Subtract B, from A. (A-B). Divide that number by A. Then multiply by 100. This will give you the value for C. For example: If A= 20 and B= 3, then $C = [(20-3)/20] \times 100 = 85\%$
4. On line 3, enter the arithmetic average for all residual disinfectant samples taken during the month.

Turbidity:

- 1 On line 1, enter the total number of combined filter turbidity measurements taken during the month. This is the value for A.
- 2 On line 2, enter the number of combined filter turbidity measurements taken during the month, which are less than or equal to 0.3 NTU. This is the value for B.
- 3 Divide B, by A. (B/A). Then multiply that number by 100. This will give you the value for C. For example: If A = 120 and B = 117, then $C = (117/120) \times 100 = 97.5\%$

Hours of operation:

For each day, record the number of hours each water treatment plant was in operation.

Finished Water Temperature

For each day, record the temperature of water entering the distribution.

Lowest Residual Disinfectant at Entrance to Distribution System:

For each day, record the lowest measurement of residual disinfectant concentration (mg/L) in water entering the distribution system (free available chlorine or chloramines).

Duration Residual Disinfectant Fell Below Requirement:

For each day, record the duration (hours, tenths) of each period (if any) when the residual disinfectant concentration in water entering the distribution system fell below 0.5 mg/L free chlorine or 1 mg/L chloramines. Note: should this occur the public water system must notify the department as soon as possible, but no later than by the end of the next business day.

The Highest Turbidity Reading for the Day:

For each day, record the highest turbidity reading on the combined plant effluent during the plants operational period.

Value of Turbidity Measurements that exceed 1 NTU and 5 NTU:

For each day, record the value of any turbidity measurements taken during the month, which exceed 1 NTU and 5 NTU. Note: should this occur the public water system must notify the department as soon as possible, but no later than the end of the next business day.

INDIVIDUAL FILTER MONITORING AND REPORTING

- 1 Was each filter continuously monitored for turbidity and results recorded every 15 minutes? Yes
- 2 Was there a failure of the continuous turbidity monitoring equipment? No
If yes on 2, was the equipment repaired within 5 working days or 14 days with department approval? N/A
If yes on 2, was grab sampling done every four hours until failure corrected? N/A
- 3 Was any individual filter turbidity level >1.0 NTU in two consecutive measurements taken 15 minutes apart? No
If yes, perform follow-up actions step 1.
- 4 Was any individual filter level for three months in a row > 1.0 NTU in two consecutive recordings taken 15 minutes apart? No
If YES, perform follow-up actions step 2
- 5 Was any individual filter turbidity level > 2.0 NTU in two consecutive recordings taken 15 minutes apart for two consecutive months? No
If YES, perform follow-up actions step 3

FOLLOW-UP ACTIONS to PERFORM

1. Report filter numbers, turbidity measurements that exceed 1 NTU and dates the exceedances occurred and causes if known.
2. Conduct a self-assessment of the filters within 14 days of the triggering event. The system must report the date self-assessment was triggered and the date it was completed.
3. The system must arrange to have a comprehensive performance evaluation performed not later than 60 days following the triggering event. The evaluation must be completed and submitted to the department within 120 days following the triggering event.

The Missouri Department of Natural Resources-Public Drinking Water Branch recommends contacting your local regional office if any individual filter exceeds 1.0 NTU, the lowest trigger in the individual filter standards.

MO 780-0438 (05-13)

Return completed form to Department of Natural Resources, Public Drinking Water Branch, P.O. Box 176, Jefferson City, MO 65102-0176

Public Works Monthly Report
April 2019

WWTP:

Total flow processed - 36,180,000 gallons

Average daily flow - 1,206,000 gallons

Sludge disposed - 156.13 tons

Remarks:

WTP:

Gallons pumped from river - 30,330,000 gallons

Gallons pumped to customer - 32,581,000 gallons

Remarks:

Water Distribution / Sewer Collection:

Installed or renewed water service - 3

Remarks - Repaired 10" water main leak at F.T. Kemper Park; repaired 8" water main leak at WWTP; replaced meter pit at 906 Locust Street; replaced meter at 408 and 412 Vine Street; replaced valve, meter and lid at 314 Poplar Street; replaced meter, ring and lid at 9 Morningside Drive; assisted with continuing construction of new animal shelter; continued installation of new meters and radio units with 8 meters and lids and 10 radio-read heads and lids for new automated meter reading system; routine sewer line jetting.

Street Department:

Continued excavation at Hail Ridge Sewer Line extension project; continued with cutting and hauling storm damaged tree limbs.

Central Garage:

Vehicles serviced and inspected - 12

Vehicle and equipment repairs - 9

Remarks: Supervised street crew in absence of street foreman; Supervised pot hole patching.

Weather (recorded at City Services Bldg.):

Average Temperature - 58.0° F

High Temperature - 86.7° F, April 10

Low Temperature - 30.6° F, April 1

Total Rain - 1.73"

Maximum Rain - .50", April 4

Project Status:

1. WWTP Flow Equalization Basin. Contractor; Lehman Construction. Project substantially complete. Continuing with startup and testing.
