- 8.3. A payment by DED shall not prejudice DED's right to object to or question any reimbursement, invoice, or related matter. A payment by DED shall not be construed as acceptance of any part of the work or service provided or as approval of any amount as an allowable cost.
- 8.4. Reimbursement to Subrecipient for travel, meals, or lodging shall be subject to amounts and limitations specified in the State of Missouri Travel Regulations, 1 C.S.R. § 10-11.010, and shall be contingent upon and limited by the Project Budget amount for such costs.

- (e) If total disbursements to Subrecipient under this Agreement exceed the Maximum CDBG Grant Amount in section 1 of this Agreement, or the maximums for professional service fees established in the CDBG Administration Manual, Subrecipient must refund the excess amount to DED. Subrecipient must submit the refund with the final grant disbursement reconciliation report.

- (f) Subrecipient's failure to provide a final grant disbursement reconciliation report to DED as required by this Agreement may result in the Subrecipient being deemed ineligible for reimbursement under this Agreement, and the Subrecipient may be required to refund any and all payments made under this Agreement.

 - (b) Subrecipient must repay to DED, upon sale of the real property funded by CDBG Funds to a non-eligible entity, the proceeds of the sale. Re: 2.3.25 Council Meeting Notes and Comments

Tonight is another relatively short business meeting.

Consent Items

The two pay requests are for Hail Ridge parking lot and the City Hall 2nd floor remodel. Both projects continue to move forward. The parking lot project is substantially complete. There is some painting left – which we need warmer weather for and a final walk through to accept the work.

New Business

1. Mayor Beach has asked if Susan Meadows would come back to Council to fill the vacancy left by Heather Overstreet.
2. Consider Resolution R2025-03: This is the formal acceptance of the CDBG grant funding received by Missouri Department of Economic Development for Kemper.

Other notes/comments

1. At the next Council budget work session (we will discuss water and sewer rates as well as the capital projects. There is quite a bit of things happening in both water and sewer in both the regulatory environment and capital projects. Alliance, Meco, Jeff and I will try to bring you up to date on what is happening and what the impacts and strategies are for the coming years.
2. Next Council meeting will be **Tuesday, February 18th** due to President's Day.
3. We are quickly approaching the end of the budget season, with just two meetings left. As always, if you want to discuss it in greater detail or if you have questions about sources/uses, reserves etc. my door is always open!
